Grappling party locates body of Harry Feldman in Rondout creek.

Harry Feldman Drowns

Falls From Boat as Motor Slips Back

Harry Feldman, 56, of 104 Wall street, a partner in David Gill Jr., Inc., building materials, 222 East Strand, was drowned early Wednesday night when he fell out of a boat in Rondout creek near Eddyville while attempting to repair the motor.

His nephew, Leon Miller, 45, of 171 Main street, and three children were in the boat when the motor, which had been tipped out of the water, suddenly fell back causing Mr. Feldman to lose his balance and slip over the side.

Could Not Swim

Unable to swim, he disappeared from view immediately and failed to come up.

Grappling operations were begun by the Ulster county sheriff's office and volunteers and the body recovered at 8:20 p. m., an hour after Mr. Feldman slipped out of sight.

Coroner Francis J. McCardle announced a verdict today of accidental death due to asphyxiation.

It was reported that Mr. Feldman had taken his outboard motorboat from its moorings at Lou's Boat Basin about a half hour earlier.

In the boat was Mr. Miller and his two children, Neil, 11, and June, 5, and Mr. Miller's nephew Bruce Miller, 14.

Lifts Motor

The propellor apparently struck a stick or other object in the water as it cruised just outside the city line about 30 feet from shore, snapping a pin.

Mr. Feldman lifted the motor out of the water, swinging it into the boat, but apparently failed to lock it in position.

Suddenly, as he worked to replace the pin, the motor tipped back into the water, pitching Mr. Feldman into the creek.

Was in Deep Water

The boat was in the town of Ulster section of the creek about 200 yards outside the city line when the pin was sheared off. The water was about 20 or 25 feet deep where Mr. Feldman went under.

The Kingston Police Department was notified, in turn alerting the Ulster county sheriff's office which dispatched grappling hooks to the scene.

The body was recovered with hooks from a boat manned by Deputy Sheriff Peter Peterson and John Graney of 149 Highland avenue.

Three other boats worked with the hooks, two men to a boat—Harvey Miller and his son, Clifford, of Chick's Boat Basin, Louis Roberti and his son, Nicholas, of Lou's Boat Basin, and Warren Spinneweber and William Bondeson.

Also at the scene were Sheriff Claude Bell, Undersheriff Clayton W. Vredenburgh, County Investigator Arthur H. Brown, Deputy Sheriffs Peterson, Ernest Longyear and Harrison Rose.

Bourke to Head 4th Campaign of Community Chest

Frank E. Bourke of 140 Wall street, senior engineer at Hercules Powder Co., Port Ewen, was elected chairman of the fourth annual campaign of the Kingston Area Community Chest at a meeting of the board of directors Wednesday night at the Volunteers of America building.

N. Jansen Fowler, Kingston attorney, was elected chairman of the budget committee.

On Budget Committee

Reelected to serve with Mr. Fowler were R. B. O'Reilly, Herman J. Eaton, R. V. Roth, William Darling, J. D. Masterson, A. R. Newcombe, F. J. O'Neill, Hugo Schlatter, A. D. Ronder, Prescott Newell and J. Fred Scott.

Newly elected to the budget committee were V. R. Burns, Arthur Patterson, William Stall, John Schwenk, Herbert Myers and Herbert Shultz.

Begins in October

The Red Feather Drive to raise funds for its member agencies will begin in October. The budget committee, after intensive study, recommends a budget for each of the eight member agencies. This recommendation is submitted to the board of directors of the Chest for approval.

Mr. Bourke, a native of Washington, D. C., received his degree in mechanical engineering at George Washington University. He joined the Wilmington, Del., plant of Hercules Powder Co., in 1936 and was transferred to the Port Ewen plant in 1938.

Active in Scouting

He is a member of the Mid-Hudson Section, American Society of Mechanical Engineers, and has served as liaison man for the Mid-Hudson Science Advisory Council.

Active in Boy Scouting, first as a Scout himself and later as an adult volunteer, Mr. Bourke is camp chairman for Rip Van Winkle Council, a member agency of the local Chest.

He has been interested in the Community Chest since its organization and was delegated to membership on the Chest's planning committee by the Boy Scout Council when that committee was organized. He became chairman of the committee in April, 1955, succeeding Sam Gabor. He remained in chairmanship of the committee until his term as Boy Scout representative expired in December, 1956.

Member of C of C

Mr. Bourke is a member of the Kingston Area Chamber of Commerce, a member and former chairman of the national legislative committee.

He is also a member of the Kiwanis Club of Kingston and a member of the club's vocational guidance committee.

Clifford G. Smith, president of the Chest, presided.

Succeeds Snyder As Supervisor

ROY WEBBER

Roy Webber of Stone Ridge who served the town of Marbletown as justice of the peace for the past 7½ years, was appointed supervisor at a special meeting of the town board Monday. On Tuesday, June 18, he resigned his office of justice and was sworn in as supervisor.

He succeeds the late Harry Snyder. An appointment to fill the vacated justice's office will be made at a meeting of the town board July 2. A resident of the town of Marbletown, he attended local schools and Kingston High School and has been a resident of the town of Marbletown practically all his life. In 1931 he took over the poultry business established and conducted by his father. He has served as a fire commissioner, an elder in the Stone Ridge Re-

Mercury Is Down to 63 at 5 AM

95 Yesterday Is Record for Date

Spring prepared for its exodus today as New York state residents breathed easier and cooler in an eastward sweep of cool Canadian air, which ended a blistering heat wave.

The city engineer's office reported another local weather record eclipsed yesterday when the mercury climbed to 95 degrees at 4 p. m., highest temperature for the date since 1949 when the thermometer registered 94.

Summer Starts Friday

A low of 63 was recorded at 5 a. m. today and the punishing heat had trailed into oblivion—at least temporarily—with summer scheduled to arrive officially at 11:21 a. m. (EST) Friday.

The pre-summer heat wave claimed 33 lives in the state and in the parboiled weather that began last Saturday at least 242 persons died because of the weather in the nation. The heat was blamed for 214 of these, the Associated Press reported.

34 Deaths

Since Saturday, 24 persons in the state drowned. Ten other deaths were attributable to the hot, humid weather that at times produced official temperatures hovering around the 100-degree mark.

One of the drowning victims was Harry Feldman, 56, of 104 Wall street.

It was reported Mr. Feldman drowned early Wednesday night in Rondout creek near Eddyville when he fell overboard while attempting to repair the outboard motor on his boat.

Saturday Hottest

Kingston experienced its hottest day during the heat wave last Saturday when the mercury zoomed to 106 at 6 p. m.

Cooler weather yesterday followed showers and storms in some sections that rumbled across the state. The rain was not enough for parched lawns and crops. The Albany Weather Bureau said precipitation measured from a trace in most areas to 0.11 inch at Albany and 0.13 inch at Binghamton.

List of Deaths

Six persons died yesterday, the Associated Press reported. Three of them drowned while swimming.

Peter Tilley, 21, of Storrs, Conn., was killed by electric shock while skin diving in Lake George. He touched an electric conduit on a dock while he was in the water.

Other deaths yesterday:

Kramer New State Clerk Assn. Head

City Clerk Bernhardt S. Kramer, of 59 Fairview avenue, was elected president of the New York State Association of City and Village Clerks, at a meeting this week held in conjunction with the New York State Conference of Mayors in Syracuse.

Other Officers

His election followed a term as vice-president of the association to which he was elected last year. He was succeeded this year in that post by Ralph Dickinson, of Akron, N. Y.

Joseph Zerello, of Croton-on-Hudson was elected secretary and Margaret Lord, of Larchmont, was elected treasurer.

This week's conference, was the 10th attended by City Clerk Kramer. He was named to the local post by former Mayor Oscar V. Newkirk, and continued serving under Mayor Frederick H. Stang. He also serves as assistant chairman of the Republican party in the city.

Affiliate Group

The New York State Association of City and Village Clerks is the oldest affiliate of the State Conference of Mayors. The local city clerk had also served the association in 1956 as chairman of its legislative committee.

The association plans to hold a training institute for city and village clerks in the fall at Albany, and it is expected that the new president will be in charge of that.

A veteran of World War 2, he served more than three years in the U. S. Army as an officer, and held the rank of first lieutenant, Medical Administrative Corps, Army Reserve Corps.

Led Organizations

After his return to this city, he served as commander of Kingston Post 150, American Legion, and last year was elected president of Zephaniah Lodge 131, B'nai B'rith.

Mr. Kramer attended local grade schools and was graduated from Kingston High School, class of 1930. He attended St. John's College, where he majored in social science, including government. He was graduated from St. John's University, School of Law in 1935.

Before his appointment as city clerk he had been associated with the district attorney's and county judge's offices.

TEARFUL REUNION—Labor racketeer Joseph "Socks" Lanza, handcuffed to a detective, tearfully greets his wife, Ellen, after arriving in New York from Dannemora State Prison to attend a hearing of the New York State Legislature's watch dog committee. The committee is probing the circumstances behind the reparole of Lanza after he had been picked up as a violator. (NEA Telephoto)

Lanza Hearings Cease

4 Witnesses Refuse to Give Answers

New York, June 20 (AP)—The legislative "watchdog" committee has adjourned indefinitely its public hearings into the Joseph (Socks) Lanza parole scandal.

The decision came yesterday after four witnesses refused to answer questions despite offers of immunity from possible prosecution.

Assemblyman William F. Horan (R.-Tuckahoe), committee chairman, said the hearings would resume when the occasion warranted. Asked if that meant no hearings were likely before fall, Horan curtly replied "no."

Committee Displeased

The committee showed its displeasure after all four witnesses refused to answer any questions. They pleaded possible self-incrimination and took refuge in the Fifth Amendment.

The refusals by three of the witnesses—Lanza, a convicted labor extortionist; his brother, Harry, and Manhattan restaurant operator Louis (The Hood) Georgiano—were referred to Dist. Atty. Frank S. Hogan for "appropriate action."

"Socks" Lanza's wife, who also refused to answer any questions, was not included in the action, the committee explained, because of her "relationship" as Lanza's wife.

Would Create Opportunity

The penal law makes defiance of a legislative committee a misdemeanor. If misdemeanor charges are lodged against the Lanza brothers and Georgiano, this would give the courts an opportunity to pass on the committee's power to grant immunity to witnesses.

If the courts rule that the committee can give immunity, then "Socks" Lanza and the other defiant witnesses can be sent to prison for up to three years for each refusal to answer.

Horan would not say if he would take such action.

The committee, which last month wound up three weeks of public hearings, is seeking to determine if political fix was involved in Joseph Lanza's return to parole despite violation charges.

Serving Out Term

Lanza's restoration to parole caused the resignation of one parole board member and stirred a political commotion. Lanza is serving out the remainder of his 7½ to 15-year term for extor-

Democrats Slate County and City Parleys July 16

William A. Kelly, chairman of the Ulster County Democratic Committee, today announced dates for the County and City conventions.

The Democratic county convention will be held at the Court House Tuesday, July 16, at 8 p. m. at which time recommendations for county offices will be made.

Immediately following the county convention the city convention will be held. William T. Mahoney is city chairman.

GOP Meets July 13, 15

The Republican county convention will be held at municipal auditorium Saturday, July 13, at 11 a. m. and the city convention at the Court House Monday, July 15, at 8 p. m.

This fall there will be elected for county office:

County Clerk to succeed County Clerk Lawrence D. Craft. It is expected he will be a candidate to succeed himself.

Coroner to succeed Coroner Francis J. McCardle, who is also expected to be a candidate.

Supervisors will also be elected in each of the townships of the county and in the wards of the city.

City Offices

In the City of Kingston the offices to be filled are:

Mayor to succeed Mayor Frederick H. Stang.

City Judge to succeed Raymond J. Mino.

Alderman-at-Large to succeed John J. Schwenk.

Supervisors and aldermen from the city wards.

At the unofficial conventions, candidates are selected to be recommended to the voters on Primary Day.

Denies Hoffa Delay

Washington, June 20 (AP)—The U. S. Court of Appeals today denied any new delay in the conspiracy-bribery trial of teamsters midwest boss James R. Hoffa. The trial was due to resume this afternoon and proceed with selection of a jury. Counsel for Hoffa and a co-defendant argued before the Appeals Court this morning for at least a week's continuance on the grounds the defense had not had sufficient time for preparation.

Rondout Valley Board Lists School Projects

In addition to the construction of a new junior-senior high school the proposed bond issue of $2,900,000 to be voted on at a referendum of Wednesday, June 26, will provide the necessary money for projects at the Marbletown, Accord and Kerhonkson schools and for the necessary repairs at the Cottekill, Rosendale and Clove schools, it was announced today by the board of education of the Rondout Valley Central School.

Voters of the central district will have an opportunity to express their wishes concerning the bond issue at a special district referendum to be held on Wednesday, June 26, from 2 to 9 p. m. The vote will be at the Accord school.

In keeping with its policy of providing information concerning the proposed building program of the central district the board of education has provided a summary of the program.

The building program at the Marbletown school, Stone Ridge calls for construction of four additional elementry class rooms and the enlarging of the cafeteria facilities at an estimated cost of $128,510.

At the Accord school the pro-

Stang Will Guide Cooperative Program Of Mayors for Aid on Water Pollution

Cooperation among state communities to gain effective assistance in advancing stream pollution control programs was emphasized at the New York State Conference of Mayors, Mayor Frederick H. Stang said today after his return from the conference at Syracuse this week.

As a member of an important committee on the problem the mayor will be able to assist in whatever future action is taken to gain state help in solving the water pollution problems of municipalities.

Kingston, now 75 per cent effective in pollution control, is more advanced than most cities in the state, but the city still needs two more diversion chambers and a force main to make its system 100 per cent effective, the mayor said.

Many communities, because of financial conditions, have been unable to take any action on pollution, and there are cases pending in court because of failure to meet state demands.

Mayor Stang was in charge of a discussion Tuesday on pollution control, and he indicated that the pollution problem was still an important one among communities along the Hudson and Mohawk rivers. A total of 200 communities are affected, however, many of them along other rivers in the state.

All plan to work now in a cooperative effort to gain state assistance towards effective control programs, and Mayor Stang will be in close touch with this cooperative effort.

The mayor said the conference was a "very successful" one and he said he was happy to learn of the election Tuesday of City Clerk Bernhardt S. Kra-

MV Bureau Is Probing 34 Complaints on Car Tests

Albany, N. Y., June 20 (AP)—The State Motor Vehicle Bureau says it is investigating 34 complaints concerning the new automobile safety inspection program.

The bureau announced yesterday it had scheduled hearings for operators of seven inspection stations to determine whether their station licenses should be suspended or revoked.

The names of the operators were not disclosed.

The 34 complaints were filed by individual motorists and by a special state police detail that checks regularly on all of the 7,339 stations in the state.

Motorists' complaints covered a wide range, including inadequate inspection and excessive charges for repairs, the bureau said.

Police reported that some stations failed to account properly for inspection stickers or to keep prescribed records. Others were said to have inadequate inspection equipment.

Motor Vehicle Commissioner Joseph P. Kelly said, "We are going to lose no time in weeding out stations that do not comply strictly and carefully with our regulations."

Since the program was begun in February, 74 vehicles have been ordered off the road as unsafe and beyond repair. The reg-

Wrap Your Own Package for Retirement Years

"Retirement is the only time in life when you can wrap your own package," says Mr. M. R. Lockridge.

Every man lives in a "package," he explains, though most people don't plan what goes into that package.

"You don't get to look at all the possible packages of life lined up on a shelf so that you can choose the one you like best," he says. It's mostly chance.

"When I was 59 I began looking over my own life, and figuring out how I could wrap up the sort of package I really wanted when I retired. My wife and I began to spend our weekends touring around our state of Wisconsin and looking for a town that would match our dreams.

"Anybody else could do the same thing.

"We bought a piece of property on a lake, not far from our city apartment home. It had a three-room cottage and a house. We devoted weekends and vacations fixing up the cottage, then rented it and moved our own spare time housekeeping—and my power saw — into the house to start fixing it up.

"Our apartment began to be less like 'home,' and the lake property began to be the place where our hearts were."

Mr. Lockridge retired two years ago—he is now 67—and receives a monthly pension. He can rent the cottage in winter, to a university graduate student and his wife, as well as in summer, to the tourist trade. He keeps the month of August at the cottage for his own family and there's a reunion which takes both houses to hold.

Newest project is a pegboard toy rack in a drugstore near their home. On the board are cellophane-wrapped toys which they purchase from toy manufacturers. The store gets a share of the profits.

Costello on Bail Until September 23

New York, June 20 (AP)—Gambler Frank Costello apparently will remain free in bail until at least Sept. 23, when a Federal Court will again consider a motion to set aside his conviction of income tax dodging.

U. S. District Judge John F. X. McGohey yesterday adjourned a hearing on the motion until that date. The government made the request for adjournment.

Costello's attorney is seeking to upset the conviction on grounds the government used evidence gained by wiretap and therefore not admissable in Federal Court.

The U. S. Supreme Court recently denied a petition by Costello, who claimed his five-year sentence for income tax evasion was illegal. Costello contended he could be sentenced for not more than one year.

Costello has been free in $25,000 bail in the case pending disposition of his appeal to the Supreme Court.

The 66-year-old racketeer also is under $1,000 bail for contempt of court. That grew out of Costello's refusal to answer questions before a Manhattan grand jury investigating an attempt to assassinate him May 2.

RUSSIA HOLDS BIG CARDS

As the United States negotiates with the other major powers in London on disarmament, it has at least two handicaps not shared by the Soviet Union.

Russia trumpets loudly that it favors an immediate ban on nuclear weapons. It has always talked this way. The difference today is that its position has gained much emotional support from the statements of some scientists that nuclear testing promises peril for the world's population.

America wants a nuclear ban as earnestly as any nation on earth. Ever since the original Baruch plan of the mid-1940's, this country has offered specific, practical proposals fairly designed to give the world enforceable nuclear disarmament.

The hitch is and always has been the word "enforceable." We insist that any plan worth considering must contain inspection features that will reasonably assure the compliance of the Soviet Union as well as all friendly powers.

This is one of our handicaps.

While Russia poses as the protector of humanity by offering "nobly" to halt nuclear effort, we are compelled again and again to insist on proposals which would really safeguard the free world.

Not enough of the globe's troubled people appreciate the hard necessities of our position.

Our second difficulty is that we must also insist that any nuclear ban be part of a general disarmament program involving weapons and armies as well.

The reason for this is simple. Our believed advantage over Russia in the nuclear field is the free world's shield against the disaster of communism.

The Russians, on the other hand, are believed to possess massive superiority in conventional armament.

We do not propose to drop our shield without guarantees of comparable sacrifice from the Soviet Union.

Many people, deeply and sincerely concerned over the possible menace of nuclear testing, may feel impatience at delays caused by our linking of nuclear and conventional disarmament. But their freedom and everyone's could hang on our keeping that link.

Despite the obvious value of "nuclear ban" propaganda, this is not a field where holding the popular stance is what counts. What is vital to our security is that we be absolutely right—that we get workable, enforceable general disarmament.

TOP SECRET

Some people love to know secrets, and to have it widely known that they are important enough to hold them. This may explain some of the silly slapdowns on information as to what our public servants are doing, slapdowns which cannot be justified by any public need.

One of the latest has been revealed by Representative John E. Moss of California, chairman of a subcommittee on government information. He was told that border patrol officers had been sent, of course at public expense, to attend rifle and pistol matches. Controller General Joseph Campbell raised a question as to whether this was legal.

Immigration Commissioner Joseph M. Swing replied to Campbell, but ruled the information secret. If given out, would this information endanger anything but the reputation of the commission and of its head?

To levy more taxes is easy and requires no keeness nor depth of thought. To get more from taxes already levied is evidence of business ability and mental capacity.

THE MORE, THE SWEETER

Industrial cleverness is taking away the nostalgic glamour of the time-honored maple syrup camps. Instead of tapping the trees separately, workers will connect them in networks of hundreds by plastc tubing.

If that means augmented output of one of nature's most delicious products, there will be few sentimental protests.

MORE ON GIRARD

What makes the government of the United States different from the government of Soviet Russia? Surely it is not that Ike Eisenhower has a more attractive personality than Nikita Khrushchev, or that Sherman Adams is more attractive than Bulganin. These people disappear in the sands of time. Were that all, it would soon enough be discovered that differences in personality are the froth of history.

The essential difference between the two governments lies in the Constitution of the United States and the vast body of judicial decisions which implement and strengthen the Constitution. In the case of the soldier, Girard, the Constitution has been circumvented and the liberty and life of a citizen are in jeopardy because officials have dared to move beyond the strict limitations of the Constitution into the risky realm of improvisation. If a young soldier can be thrown to the dogs to satisfy political policy, anything can happen to satisfy policy.

For instance, the story now goes the rounds, the truth of which I obviously have no means of checking, that after Dr. Herbert Norman committed suicide, an agency of our government had a report that the reason for the suicide was that Norman had become aware that the Canadian government was planning to appoint a Royal Commission to study his activities and that such a study would involve between 60 and 70 Americans and Canadians who in one manner or another had been engaged in similar activities.

There can be no question but that relations between the United States and Canada took an unpleasant turn over the Norman suicide. If the report indicated above is true, and my sources are first rate, surely the people of both countries should have been told about it, so that their response to the challenge of this suicide did not lead to untoward circumstances. Who was entitled by law or by sound judgment to suppress whatever data in this report is absolutely correct? It would seem to me an unjustified extension of executive option.

In the Girard case, the Status of Forces Treaty—a NATO treaty—cannot be made to apply at all because Japan is not a member of NATO and when the Senate ratified the treaty it stated a reservation that its principles cannot be extended elsewhere. But it has been made to apply by various executive devices which should not have been pursued were the Constitution binding upon the bureaucrats in Washington who while denouncing dictatorships and Fascism, seem to take on the characteristics of both.

It might be called the Potomac Disease because it happens to the hired help of each Administration, whether Democratic or Republican. The Republicans devoted themselves from 1933 to 1952 to a denunciation of the Democrats for their misbehavior under the effects of this fever, but once they came into office, they acted like Democrats unashamedly. Now no one can tell the difference between the breeds of cats and only hope that ultimately everything will work out all right, as it generally does in history which is the record of the rise and fall of nations—some rise and some fall.

The Girard case is a straw in the wind, to use an ancient figure. It shows that the diplomats and the military will do whatever they feel they must do, which is much like the Marxist Law of Historic Necessity or of Historic Inevitability which made it easy for Mao Tze-tung of Red China to kill 800,000 people in order to establish his revolution. (This figure is taken from Mao and not from an enemy, although I do not know whether he said it as a boast. Compared to Stalin, this makes Mao a minor butcher.) When human beings are not governed by moral absolutes but pursue the rule of individual reason, there is no telling where they may end up.

And that, it would appear, is what has happened to the lowly soldier, William Girard, who is made into an international figure because his government will not judge him according to moral law but rather by a diplomatic rule of thumb as to whether it is wiser to placate the Japanese, the Formosans and the Hindus who get into everything, or pursue the course of justice. Apparently Girard's liberty and life count for nothing compared to covering up diplomatic errors.

Night In The Laos Medical Mission

Yesterday we spent a typical day with Dr. Dooley in his medical mission to Laos in the Far East. Today let us hear what Dr. Dooley says of his nights.

"The night is usually an interrupted one (there are not very many doctors anywhere who do not have this problem); however, night calls here plunge the doctor into humanity at its bleating, suffering, stinking best—terror, disease, hunger, misery, different from anywhere else.

"As in America, the end of the day finds the doctor reviewing his patients. What are they doing? Are they following your orders? Yes, as in America, your patients here will be taking your medicine and rubbing in your ointments. In America the doctor's opinion frequently rules supreme—the stethoscope and American doctor's magic reign supreme here also—during the day.

"But at the fall of night, magic is potent. Herbs, portents, malicious and beneficial spirits are called forth to help your penicillin. Monkey's blood is drunk. 'Blessed' strings of cotton are tied around an aching part. The incantations of the Chinese medicine men or the local witch doctor can be heard. A sorcerer is feverishly rubbing cow dung and beetle juice on the child's chest while his parents smoke tobacco and blow the smoke into his ears. And around their hut, the yaws patients are sitting with those with whooping cough, on the floor where old men are spitting. Chicken feathers are being waved beneath the nose of a woman whose pregnancy is past term and garlic grease is being smeared over a sore—perhaps it will help the doctor's bacitracin ointment.

"When morning comes and many are cured, the credit will be divided between the two magics—the new and the old. These poor people are thrust into the chasm that yawns between the two. You might think, as I do, that we Americans are worring a bit too much about the people we want to liberate from the godless tyranny of communism and are ignoring those we could liberate from the tyrannies of ignorance and disease. Medicine can be used as a weapon of foreign policy and that is what we four are trying to do."

Dr. Dooley has spent nearly three years in Asia (with a five-month break). He expects, when he has done his part in this great mission, to come home and go into private practice. He feels that physicians are in a position to implement our foreign policy of aid to multitudes of mankind behind the iron curtain to whom liberty and freedom "are a pounding, ever-present dream." Dr. Dooley's experience and high purpose may inspire other young men to go to parts of threatened Asia to take part in this great medical mission and to be salesmen for democracy.

"I'm Going Out to Lunch---Call Back Later"

Washington News

BY PETER EDSON
NEA Washington Correspondent

Washington, (NEA) — Estimates on how much it will cost the U. S. Treasury to give Idaho Power Co. fast tax write-offs on two Hells Canyon dams now vary from 17 to 329 million dollars.

This extreme range proves principally what a crazy, mixed-up law it is that authorized this deferred tax program in the first place.

Congress probably did not realize what it was getting into when the plan was made part of the 1950 Defense Mobilization Act.

Disclosures in the Idaho Power case make fairly certain the law will be amended by the 85th Congress.

But this will be locking the barn a little late.

Over the long haul, the Treasury will lose nothing in tax collections from the power companies, unless tax rates are reduced. If tax rates are raised, the Treasury will gain. Lower taxes will be collected in the first five years. But these deferred taxes will have to be paid up in later years.

HOW THIS WORKS OUT is shown best in the Idaho Power Co. case. The difference in estimates on what it will cost the Treasury is explained by the different assumptions that are used by tax experts in trying to calculate the cost.

What is the normal life of a hydro-electric power dam, for tax depreciation purposes? What method of depreciation is used—straight line, or one of the newer methods authorized in the 1954 tax law, which would give the company greater benefits."

What interest rates will the Treasury have to pay on the money it borrows to make up for the taxes it doesn't collect? And what will corporation tax rates be during the dam's life?

IN THE CASE OF the Brownlee Dam, Idaho Power was granted 65 per cent accelerated depreciation on a 67-million-dollar cost. This would put 43 million dollars under fast tax write-off.

Assuming that the dam would have a normal 50-year life, tax experts calculate that the company's tax saving, under the present 52 per cent corporation tax rate, would be 18 million dollars at the end of the first five years.

The amount of this saving would be reduced in later years. At the end of 10 years it would be only 14 million dollars. At the end of 20 years it would be eight million dollars. At the end of 30 years it would be four million. At the end of 40 years it would be less than a million. And at the end of 50 years both Idaho Power and the Treasury would be even on taxes.

In the meantime, however, the Treasury might have to borrow money to make up for the taxes it was deferring.

Assuming that the interest rate on this money would be the present average of 2.75 per cent on all outstanding government loans, the interest cost to the government would be 1.5 million at the end of the first five years.

At the end of 20 years this interest cost would be eight million dollars. At the end of 50 years it would be 24 million.

ON THE OXBOW Dam, Idaho Power was granted 60 per cent accelerted depreciation on a 36-million-dollar cost. Assuming the same condition as for Brownlee estimates above, the government's interest cost would be 11 million dollars over 50 years.

Total interest cost for the two dams—35 million.

If, however, the interest rate on government borrowings should rise to an average of 3.5 percent over the next 50 years, the cost to the government would be nearly 60 million dollars.

If other assumptions are used, the cost figure goes up or down. The extreme estimate of 329 million dollars is made by some of the public power interests. It is obtained by compounding the interest on the company's earnings from savings in tax payments during the first five years, for the 50-year life of the dams. It is not considered realistic.

Shokan

Shokan, June 20—Mrs. Sonia Rice was numbered among the Town of Woodstock residents calling in the hub of the reservoir country Saturday. Mrs. Rice has the commendable hobby of collecting cats which she cares for in large number at her home near Shady.

John S. Winne, who was mentioned in The Freeman recently in connection with his graduation from a Tampa, Fla., high school, has many relatives in this area. The young man is a grandson of Mrs. Seymour Winne Sr., of the Ashokan mountain road.

Calling here Monday was John J. Carro of Colonial Gardens, Kingston, who has returned from military service and is currently traveling for a nationally known tobacco company.

Having a birthday Tuesday, June 26, is Alonzo Winne, 82, of Ashokan. Formerly a U & D Railroad employe, he came here many years ago from the Town of Shandaken.

Weekend guests at the home of Mr. and Mrs. Henry Gebelein were the following relatives of Mr. Gebelein from Long Island: Mr. and Mrs. Alfred Breuning and Henrietta and Kate Gebelein. Wednesday, June 26, the local couple will celebrate their 45th wedding anniversary. They were married in Brooklyn and came here 39 years ago.

Mrs. Howard Olsen was numbered among the adults who accompanied several busloads of Onteora School children on a trip to the old country village at Monroe, Rockland county.

Shokan residents were interested in The Freeman story of Ruth H. Cohn's graduation from Columbia University. The Dr. Hans Cohn family home in Shokan before removing to Woodstock was the Alfred Scott house which recently was purchased of Jack Rubin by Mr. and Mrs. Frank Torre.

Election to Supreme Court Suggested as Power Brake

By DAVID LAWRENCE

Washington, June 20 — Now that the Supreme Court has transformed itself into what is being termed "another legislative body," a movement has started to bring about the election of the high court justices by the people. It would require a Constitutional amendment. The idea, of course, is not novel. This happens to be the custom in the several states with few exceptions. Thirty-six states elect their highest court judges at the polls, four states elect their top judges by vote of the state legislatures, and only eight states follow the Federal custom of appointment by the executive with the consent of the legislature.

Since the Supreme Court of the United States has set itself up as having the right to tell Congress how to run its committees and the Executive departments that they must retain employes they don't like, the question of how the Supreme Court itself shall be accountable for its acts has arisen. This has happened several times before in American history.

The late President Franklin D. Roosevelt thought the answer to an arbitrary or capricious court was to increase the number of justices so he could appoint those who would decide cases as he thought they should be decided. This scheme was called "courtpacking." It required legislation and was frowned upon by Congress in 1937. Former President Theodore Roosevelt, as a candidate for the Presidency in 1912, urged that there be a system of "recall of judicial decisions" so the people, by referendum, could affirm or reverse decisions, especially in state courts.

Lawyers Perplexed

Today the Supreme Court of the United States has rendered so many conflicting and confusing decisions that many lawyers throughout the country are perplexed and bewildered. The issue was succinctly stated by a member of the Supreme Court itself, the late Justice Robert H. Jackson, who, in the course of an opinion in 1953, wrote:

"Rightly or wrongly, the belief is widely held by the practicing profession that this court no longer respects impersonal rules of law but is guided in these matters by personal impressions which from time to time may be shared by a majority of justices. Whatever has been intended, this court also has generated an impression . . . that regard for precedents and authorities is obsolete, that words no longer mean what they have always meant to the profession, that the law knows no fixed principles."

For the last twenty years many of the professors of law in the university law schools, particularly in the East, have raised a whole generation of so-called "liberals" who believe that the Supreme Court should make "policy" and that to adhere to historic principles is out of keeping with the spirit of the times. This is the type of thinking which has bred throughout the country a feeling that the court pays more attention to sociology or political science or ideological considerations nowadays then it does to fundamental interpretation of the Constitution and to the enduring principles of jurisprudence.

If, therefore, the Supreme Court is to make "policies," to whom should it be responsible? It now places itself above both the Congress and the Executive, which are themselves accountable to the people. The justices, however, are accountable to no one but themselves. Such an autocracy was never envisioned by the Founding Fathers when they authorized life tenure for justices. The several states have wisely written into their constitutions that judges must go before the people — sometimes after six-year and sometimes after twelve or fourteen-year terms. But there is a check by the people.

Criticism Growing

Criticism of the Supreme Court is mounting. Unfortunately, it is a criticism that attributes political or ideological motives to the justices. Many Republicans and Democrats, moreover, are blaming President Eisenhower for the peculiar attitude that Chief Justice Warren has taken since being on the high court. "Why was Warren ever appointed?" is asked repeatedly in political circles. He was known as a middle-of-the- roader for many years. Mr. Eisenhower, however, is reported to be as much surprised as the general public that Mr. Warren has become enamored of the Douglas-Black philosophy and consistently follows the radical line without the slightest show of independence.

Justice Black wrote extensively on the rights of congressional investigating committees when he was a United States senator, and so did Justice Frankfurter before he came to the court. They both thought investigating committees shouldn't be restricted in gathering information and in browbeating recalcitrant witnesses. They wrote approvingly of the harassment of the business men of those days. But when the harassment now turns to persons who have had "past associations" with Communists and who conceal their connections, both Justices Frankfurter and Black seem to become champions of the very individual rights which they once urged should be denied as business men sought to exercise them against the witch-hunting and fishing expeditions of congressional committees.

So, since it is all so obviously political, there are many persons here in Congress who are coming reluctantly to the conclusion that election of judges for fixed terms, with the right to run for reelection, is the only way out of the political dilemma which the present court has created by its "legislative" decisions.

Today's Business Mirror

By SAM DAWSON

New York, June 20 (AP)—Those foreign cars once a fad along the seacoasts are now tooling right down the middle of the country. Sales this year are reported in all of the 48 states. Greatest sales growth has been in the midlands.

They have invaded the home state of the American auto. The British Automobile Manufacturers Assn. says sales of English cars in Michigan in the first four months of 1957 jumped 543 per cent over the same period of 1956, to boost Michigan from 14th place among the states to fourth.

Appealing Features

Dealers say appeal of the foreign car lies with:

1. The economy minded, especially those wanting a second car —and this is particularly true among young people with limited incomes but less limited families.

2. The sports minded — and this has led to a marked increase in amateur sports car races, some drawing crowds up to 60,000.

3. The prestige minded, who shell out $12,500 or more for a luxury chariot.

4. The tourist, who can order a foreign car here, take delivery in Europe, and still bring it back at a saving over the retail price here, despite paying shipping charges and 10 per cent U. S. Customs duty.

10 New Manufacturers

The economy models, $1,700 or less, were sold here last year by six European manufacturers. Now there are 16 in the field. They ship from England, France, Germany, Italy, Sweden, Czechoslovakia. They expect to bring in about 125 million dollars worth of cars and parts this year.

Europe has been speeding production to capture these coveted dollars, inspired by the spiraling sales of the Volkswagen which went from 1,300 in 1953 to 50,000 in 1956.

Sales Are Doubled

Total sales in the first quarter of this year were double those of the same period a year ago.

Renault of France reports sales near 2,000, a jump of 500 per cent. The French Citroen and Simca are stepping up shipments.

The British say their first four months sales of all sizes were 17,300, up 154 per cent. The gain among the smaller ones, the Austin, English Ford, Hillman, Morris and Sunbeam, was higher—174 per cent.

Fiat of Italy converted a Liberty ship into a floating garage to carry 1,000 cars to the west coast. The port of Los Angeles predicts another big jump in car imports there this year. Last year's total was around 12,000, a striking gain from the 7,000 that entered in 1955.

N. Y. High on List

A breakdown on sales of British cars this year in the 48 states shows California, with sales topping 5,000, still in first place, followed by New York and Florida—the southern entry showing a 390 per cent jump over last year.

Michigan is now fourth, New Jersey fifth and Pennsylvania sixth. Texas moved up from ninth to seventh this year, and Ohio from tenth to eighth, with a 246 per cent increase (third highest percentage gain). Washington is now ninth and Massachusetts tenth.

Sports Car Sales

In the sports car field sales also shot up in the first four months of the year. The German Porsche and the Italian Alfa Romeo report good increases. The British entries, MG, Triumph, Jaguar and Austin-Healey, report a combined gain of 105 per cent.

Sales of all foreign car models jumped 50 per cent last year. And this year the makers are out to double their market.

It's still a puny one compared to the one Detroit commands, but it's growing and sassy.

Harriman Seen Not Anxious on Special Sessions

By CHARLES DUMAS

Albany, N. Y., June 20 (AP)—The prevailing opinion on Capitol Hill is that Gov. Harriman will not be anxious to call another special session of the Legislature any time soon.

After last week's four-day political donnybrook, the Democratic governor said he thought the session had been "clearly worthwhile."

To back this up, he pointed to passage of a few social security measures and the bill limiting tax exemptions of sickness-disability pay—all noncontroversial measures.

But these bills were not the primary objectives in his recall of the Republican-led Senate and Assembly. He wanted new action on the unemployment insurance, workmen's compensation and telephone-rate issues.

Must Go As No Gain

As far as acceptable legislation is concerned, the governor is forced to mark down his first venture into the special-session field as "no gain."

The Legislature left behind the same labor benefit bills it passed at the regular session. The governor already has announced he will veto them as unacceptable.

The Senate left behind the corpse of another telephone bill, the same one that died dramatic deaths in the finance committee at previous sessions.

Having won none of the major legislation he sought, Harriman must then evaluate the session in terms of political advances.

For one thing, he managed to widen the Republican leadership split on the telephone issue. The Assembly, at Speaker Oswald D. Heck's bidding, passed the bill after Senate Leader Walter J. Mahoney had killed it in his House.

Makes One Score

If the old maxim "divide and conquer" is valid here, Harriman can chalk one up for his side. The Republican party—any party—figures it will show itself in a better light to the voters if it is united. The 1958 election for governor is just around the corner.

On the labor issue, Harriman pledged to continue the fight for the kind of benefit-boosting bills he wants—raising benefits without the "unjust" provisions he says the GOP bills contain.

In this cause, he has the support of labor leaders. He maintains that the special session "aroused" and rallied the unions' rank and file to his banner. On the other hand, the GOP position has strong support from many employers.

See Harriman Hurt

Republicans are not unhappy that Harriman plans to reject their labor bills again. GOP campaign strategists reason that, no matter what explanation he offers, Harriman is going to hurt himself by vetoing higher benefits.

The special session, in that case, only served to force the action upon him twice—in the short space of two months.

Unless the strategy changes, the GOP plans to send him the very same bills again next winter, at the next regular session of the Legislature. The logic here is that three vetoes will hurt Harriman more than two.

Headlines Disturbing

Harriman obviously is aware of this possibility. This week he began talking about reaching "some agreement" with the Republicans next year, before the 1958 election.

The governor also was not happy about the many news headlines that Republican orators made with their attacks on him during the special session. Chances are he'll leave the hornet's nest alone for a while.

Automation

East Lansing, Mich., (AP)—Michigan State University has found television a better teacher of typewriting than a classroom instructor. In a test conducted by MSU's bureau of business research television-taught students, who had had not instructor in the classroom, not only learned to type faster, but made fewer errors than did students taught in a classroom. The bureau conceded the television technique's novelty might have been a factor.

WEST HURLEY

P-TA Family Picnic Program Held Indoors

West Hurley, June 18—The monthly meeting of the P-TA was recently held in the form of a family picnic.

Because of bad weather the affair was held in the all purpose room.

The program consisted of installation of officers: Mrs. Arthur Knight, president; Mrs. Patrick Maddloni, 1st vice-president; Mrs. David Davidson, 2nd vice-president; Leslie Jenkins, treasurer; Mrs. Louis Port, corresponding secretary; Mrs. Heinz Burmeister, recording secretary.

The officers were installed by Mrs. Jack Clair. Musical selections were rendered by Steve Mansella, Diana Knight, Cathy Davis and Jon Hammond members of the school band which has been formed by J. Anthony Hommel. The band will play for the first time at the graduation, June 21.

The school principal, James Mc Carty has accepted a position as principal in South America and is leaving around July 1 with his family. The P-TA, at this time, presented Mr. and Mrs. Mc Carty with a going-away gift. Mrs. Clarence Green, Mrs. Maurice Rowe and Mrs. Fred Wagner were in charge of the picnic plans, Mrs. David Fox and Mrs. Leslie Jenkins were in charge of floral arrangements, Miss Dowz, gym instructress organized a baseball game between fathers and sons. Mrs. Jack Kelley and Miss Louise Haynes and Mrs. Hommell handled the program.

Cubs Cook-Out

West Hurley, June 18—The Dens of Mrs. DeWitt Day and Mrs. Lawrence Ryan concluded Cub Scouting activities until fall on Tuesday afternoon.

A outdoor cook-out was held. Cubs who attended were: Joseph Boyce, Herbert Overbraugh. Thomas Guadagnola, Carey Anderson, Glenn Green, James Mc Carty, Michael Knight, Donald Rice, Dennis Day, Lee Molyneaux.

Kindergarten Pupils Entertained by Teacher

West Hurley, June 18—Miss Louise Haynes, Kindergarten, teacher, entertained members of her class at her home recently for dinner. Those attending were Debra Every, Bonnie Craig, Kristine Anderson, Brian Martin, Robert Longendyke, Eileen Guadagnola and Jane Garrison. Thursday evening the following were her guests: Arthur Palmer, Christine Duffy, Dennis O'Bryan, Thomas Raffaldi, Marion Rockwell, Donald Martin, Cathy Nussbaum, Keith Jenkins, William Wagner and Annalee Rose. The kindergarten will hold graduation Wednesday at 9:45 a. m. All parents, friends and relatives are invited to attend at the school all purpose room.

Two Local Scouts Will Attend July Jamboree

West Hurley, June 18—Two Boy Scouts from here will attend the Boy Scout Jamboree in Valley Forge starting July 10.

They are Robert Saxe and Daniel Davidson. The parents of these boys attended a meeting held in Port Ewen to acquaint them with the leaders that will accompany them. Slides of previous jamborees were shown. On June 14 and 15 a training school will be held at Camp Tri-Mount for those attending the jamboree.

Grades Make Field Trip to New York City

West Hurley, June 18—The 4th to 8th grades of West Hurley School visited the Museum of Natural History in New York city Wednesday. The trip was made by bus and the students were accompanied by their teachers, Mrs. Corrigan, Mrs. Etienne, Mr. Mc Carty and room mothers, Mrs. Clifford Seaman, Mrs. John Blattter, Mrs. Patrick Maddloni, Mrs. Jay Molyneaux and Mrs. Lawrence Ryan.

Kindergarten to 3rd grades made a trip to the Catskill Game Farm the same day, also going by bus. They were accompanied by their teachers Miss Haynes, Mrs. Kelly, Mrs. Clair and room mothers, Mrs. Arthur Knight, Mrs. Robert Nussbaum, Mrs. Harold Every, Mrs. O'Bryan, Mrs. Frank Raffaldi and Miss Bell.

Town Notes

West Hurley, June 18—Saturday and Sunday afternoon, the students of Mrs. Bert Bishop held a recital at her home in Kingston. Those taking part from here were Misses Joyce Ann, Janice, Judith and Cathy Nussbaum and Miss Beth Nussbaum and Alfred Nussbaum.

Ralph Butler celerated his birthday by having an outdoor supper for his friends recently.

The graduation exercises for the West Hurley School will be held Friday evening.

Mr. and Mrs. John Fitzsimmons are receiving congratulations on the birth of a daughter, Margaret Rose.

Mr. and Mrs. Aubry Berry are also, receiving congratulation on the birth of a daughter, Pamela Jane.

Monday evening the monthly meeting of the Ladies Auxiliary of the fire company was held at the firehouse. After the business meeting, a surprise stork shower was held for Mrs. Theodore Rose.

Mrs. Rose Metgzer is librarian for June. The library is kept open Monday evenings from 7 until 9.

Final Poll

New York (AP) — Frederic March and his wife, Florence Eldridge, won Broadway's final "best" poll of the season, the one conducted by trade paper Variety among newspaper critics. The couple were cited for their performances in "Long Day's Journey Into Night." Fernando Lamas of "Happy Hunting" and Judy Holliday of "Bells Are Ringing" won approval as top musical comedy performers. Jason Robards Jr. and Inga Swenson were chosen as the most promising new players of the season. Robards performs with the Marches, and Miss Swenson appeared in "The First Gentleman."

Some pecan trees can produce 400 to 500 pounds a year, with the record being 3,000 pounds.

Seeing Eye

Little Rock, Ark., (AP)—A man came into A. J. Bishop's dry cleaning shop, asked for his suit, then asked Bishop to confirm the color. "I don't see well," the customer explained. "Will you take your money from this bill and give me the change?" Bishop made change, put the suit on a hanger, and placed it in the man's hand. The man turned, fumbled for the doorknob, and stepped outside to an automobile. He felt for the door handle opened the door, and gropingly hung up his suit. Then he got behind the wheel and drove away.

Cotton got its name from the Arabic "Kutn" (Cut in), which means "a plant found in conquered lands." Cotton was grown in India as early as 3,000 B.C.

School Days

Tonkawa, Okla., (AP)—An 84-year-old student walks four miles a day to attend junior college classes here. Walter Marsh, a former St. Louis, Mo., music teacher, is believed to be the oldest freshman in the state. He is studying English and psychology but he is not after a degree, just "taking whatever I enjoy."

Thruway Tolls Continue Upward

Albany, N. Y., June 19 (AP)—State Thruway toll collections continued to climb last month, pushing the January-through-May total to $7,763,991, about 19 per cent ahead of last year's pace.

At the same time, overall gross revenues for the first five months of the year rose to $9,294,094, a 20-per-cent gain over the comparable period in 1956. Gross revenues include tolls, a prorated share of annual permit sales and concession income.

During May, thruway users paid $1,971,101 in tolls, compared with $1,654,127 in May of 1956. The increase was slightly over 19 per cent.

Jamboree Scouts Hold Training Session at Camp

A contingent of three troops—86 Scouts and Explorers—of Rip Van Winkle Council, Boy Scouts of America, who will attend the National Jamboree, held their "shakedown" training session at Camp Tri-Mount last Friday and Saturday.

The Scouts practiced setting up Jamboree tent sites, pitching tents, cooking on charcoal Jamboree stoves, preparing demonstrations and receiving training in Jamboree "know how."

Troops Listed

Attendance was almost 100 per cent.

The three Jamboree troops consist of Troop 19, the Kingston Drum Corp Troop 12 plus some drum corp members from other units—Hurley, Saugerties, Port Ewen; Troop 20 made up of Catskill, Greenville, Windham, East Jewett, Athens, Saugerties, Ellenville, Ashland, Malden and New Baltimore plus Troop 8 of Kingston. The remaining troop is made up of Scouts from Kingston, New Paltz, Wallkill, Kerhonkson and Accord.

Troop Leaders

The Jamboree leaders for each of the troops are Ralph Shapiro, Elmore Yallum of Kingston, William Plimley of Saugerties for the Drum Corps Troop; Anthony Zinnanti of Catskill, Joseph Shapiro and Ed Granberg of Kingston for Jamboree Troop 20; and Henry Eighmey, Kingston and Robert Freer, Port Ewen, for Jamboree Troop 21.

The Scouts arrived for the start of their training in one of the Camp Tri-Mount rainstorms. However, this cleared up permitting a camp fire Friday night. Saturday rolled along with many activities to fill the day. The sun burned down all day but the Scouts and Explorers completed the training.

Rotron Workers Share $35,085 First Quarter

J. C. van Rijn, president of Rotron Manufacturing Company announces the profit sharing fund for the first quarter of 1957 amounted to $35,085 or 16.1 per cent of the participating payroll for that period.

In accordance with the profit sharing plan 75 per cent or $26,314 was distributed among the employes. The remaining 25 per cent is held in reserve for distribution after the close of the fiscal year on June 30. The total profit sharing fund for the first three quarters amounts to about $80,000.

Other recent benefits include another distribution of a $10 bill to all employes for the new sales record of over $365,000 in March. In addition, under the company financed group insurance benefit plan, the life insurance coverage has been increased to $3,000. This is the second increase since installation of the plan several years ago.

Harry Feldman

ment of about 15 men under Fire Chief Warren Prandoni of the Bloomington Fire Department assisted in unsnarling traffic in the area.

Central Hudson Gas & Electric Corp. dispatched an emergency truck manned by Henry Winkelmann and Charles Harnden and Deputy Chief Howard Myers of the Kingston Fire Department was at the scene with a pulmotor which was not needed.

County Investigator Brown sharply criticized "morbid sightseers" who flocked to the scene, snarling traffic on access roads and making it almost impossible to get equipment to the scene. Curious motorists are not unusual in these cases but the traffic snarl was particularly severe on the narrow Abeel street road.

Mr. Feldman was formerly associated with Morris Miller in the Kingston Truck Sales and Services, 327 Broadway.

He was president of Development Associates, Inc., local building firm, and was connected with the Defender Gas and Oil Co., Sleightsburg.

Mr. Feldman was a member of the congregation of Agudas Achim Synagogue and has long been active in the United Jewish Appeal and in Jewish and civic activities of the community.

He was a member of Rondout Lodge 343, F and AM.

Funeral Friday

Surviving are his wife, Evelyn Goldman Feldman; a daughter, Mrs. Elyse Caple of Albany; two brothers, Sam and Nathan of this city, and two sisters, Miss Sadie Feldman of this city and Mrs. Esther Ruben of Brooklyn.

Funeral services will be held at the F. Daniel Halloran Funeral Home, 88 West Chester street, Friday at 2 p. m. with Dr. H. Z. Rappaport, rabbi of Congregation Agudas Achim, officiating. Burial will be in Montrepose Cemetery. Friends may call at the funeral home at any time.

Wiltwycks to Meet

Officers and members of Wiltwyck Hose Company No. 1, will meet at 7:40 p. m. Friday at the Frank H. Simpson Funeral Home, 411 Albany avenue, to pay their respects to their late brother, John L. Weaver.

RESOLUTION

On motion made by Councilman Shumate and seconded by Councilman Kelder the following resolution was made:

WHEREAS: In the recent death of Mr. Harry Snyder, former Supervisor who served the residents of the Town of Marbletown faithfully and with distinction for sixteen (16) years, we of the Town Board have sustained a very great loss, both personal and otherwise; and

WHEREAS: Supervisor Snyder possessed and practiced in not only his daily but also his political life, many fine and noble qualities, such as friendliness, kindness, thoughtfulness and for these and others, was respected, admired and very highly regarded by all who knew him; now

THEREFORE: Be it resolved that the Town Board of the Town of Marbletown adjourn this June 17th, 1957 special meeting out of respect to the memory of former Supervisor Harry Snyder.

Passed unanimously.

Stranded, Man Gets Help Two Ways by Graham

New York, June 20 (AP)—A young man, stranded in New York, today had tickets for two journeys.

One of them would get him to Columbus, Ohio.

The destination of the other was described as heaven.

David Williams, 26-year-old, Negro, got them both last night at Billy Graham's crusade in Madison Square Garden. It was an odd series of incidents.

As a crowd of 16,500 was gathering at the big midtown arena, Williams showed up at a crusade office there, and sobbed out this story:

En route from his home in Chester, S. C., he attended his mother's funeral in Columbus, he dozed off while waiting for a bus in a terminal here. When he awoke, his baggage and his jacket with his wallet and ticket were gone.

Officials Help Out

A stranger, learning of his plight, advised him he might get some help at the Graham meeting.

Officials there chipped in to buy him another ticket, and provide funds to get him to Columbus. Williams stayed for the preaching. At its conclusion, Graham urged his hearers to come forward and "accept Christ," forgiveness and assurance of eternal life.

The first person up was Williams, standing there, coatless, his head bowed, his eyes blinking back tears.

Behind him came 494 other men, women and youngsters.

The service marked the start of the sixth week of Graham's 67-day crusade, and the total number of "decisions for Christ" rose to 20,046.

In his sermon, based on Mark 6:14-27, Graham said, "The greatest proof of the existence of God today is man's conscience."

Hurt in Bike Mishap

James Ellsworth, 4, of 129 Hunter street, suffered injuries of the face and head in a bicycle mishap on Hunter street yesterday. He was taken to the Benedictine Hospital where he remained over night and was returned home today. Details of the misshap were not reported, but it was indicated that the youngster ran into a bicycle ridden by another boy on the Hunter street hill.

Puetz Held as AWOL

George J. Puetz, Jr., 19, of Marlboro, was arrested here at 10:10 a. m., today on a charge that he was absent without leave from the U. S. Navy. He was picked up in the Kingston Point area, and police said he is charged with being AWOL from the USS Randolph, Norfolk, Va., since May 29. He was held to await the arrival of naval officers.

Late Bulletin

Man Slays Three

Canton, N. Y., June 20 (AP)—Police said today that Richard Cota, a farmer, shot and killed his enstranged wife, his mother-in-law and father-in-law at her parents' home today.

The parents were Mr. and Mrs. Clifton Duval.

Police said Cota had escaped and was believed headed in an automobile for Ogdensburg or Gouverneur.

They said he had used a .30-06 rifle in the shooting.

The Cotas' two children were at the home when the shootings occurred, about 12:20 p. m. but neither was harmed.

Dio Goes to Jail During Trial on Racket Charges

New York, June 20 (AP)—It will be jail—not bail—for labor racketeer Johnny Dio during his trial on bribery and conspiracy charges.

The same goes for two co-defendants under a ruling by General Sessions Judge John A. Mullen.

Mullen canceled bail yesterday as trial of the three men began. He ordered that they be held overnight at The Tombs (Manhattan city prison) during the trial, expected to last two weeks or more.

The judge said he was ordering jail "in the interests of justice to the people and all the defendants.

Only one juror was picked on the opening day of the trial of Dio; Samuel Goldstein, president of Local 239 of the Teamsters Union; and Max Chester, former secretary-treasurer of Local 405 of the Retail Clerks International Assn. Each is in his early 40s.

The three are charged with conspiring to extract $30,000 from two electro-plating companies as the price of labor peace.

The trial continues today.

If convicted on all four counts of the indictment, each man would face a possible maximum of four years in prison and a $2,000 fine.

Dio, whose real name is Dioguardi, has been described by Manhattan Dist. Atty. Frank S. Hogan as "one of the most powerful underworld figures in the field of labor."

Dio is under $15,000 bail in the Federal Court case involving the acid blinding of labor columnist Victor Riesel. Dio is charged with conspiracy. Trial has been postponed indefinitely because vital government witnesses clammed up.

World News Briefs

Kishi Gives Aims

Washington, June 20 (AP)—Japan's Prime Minister Kishi told Congress today his nation is determined to play a constructive role, particularly in Asia, in meeting the challenge of communism.

In a speech prepared for the Senate—and to be delivered later before the House—he said Japan already has shown that "economic and social progress can be achieved without the Communist short cut."

"It is my firm conviction that Japan, as a faithful member of the free world, has a useful and constructive role to play, particularly in Asia where the free world faces the challenge of international communism," he said.

PO Money Cut

Washington, June 20 (AP) — The House Appropriations Committee told the Post Office Department today to curtail some of its mail services and live within its reduced funds to avoid repetition of "the fiscal debacle of the spring of 1957."

It cut 16½ million dollars from the department's request for an extra 149½ millions to supplement a previous appropriation of $3,192,000,000 for the fiscal year starting July 1.

No Policy Change

Washington, June 20 (AP) — U. S. officials said today the United States is prepared to accept suspension of atomic weapons tests only under a first step disarmament agreement providing also for halting production of nuclear weapons.

President Eisenhower had created the impression at a news conference yesterday that the United States might have reversed its policy on banning tests and might be about to accept a Russian proposal for a test moratorium separated from other major disarmament proposals.

White House Press Secretary James C. Hagerty said there had been no change in policy.

Weekly Food Review

(By The Associated Press)

Roast beef will be served at the dinner table—or barbeque grill—of many American families this weekend, judging by the weekly "specials" planned by the nation's supermarkets and neighborhood grocery stores.

Chuck roast and other lower-priced cuts of beef often are the big items in beef promotions, but chuck is soft-pedalled this week in favor of round steaks, sirloin steaks and porterhouse steaks. It could be that the supermarket meat men are timing their wares at the growing numbers of barbecue and "cook out" fans during the hot weather.

Fryers Up, Pork Down

Chicks, normally a hot weather special, are not so popular this week, possible because prices for fryers are up around 2 cents a pound in some areas. Pork, on the other hand also is listed in comparatively few places, despite the fact pork prices are off from 2 to 11 cents in scattered localities.

Eggs, too, are from 2 to 4 cents a dozen more expensive this week, although the higher prices are expected to be only temporary since supplies of eggs are good. The week's heat wave in the middle west and east has cut down the number of Grade A eggs available for market, poultrymen say.

Housewives who automatically start thinking of salads when the mercury starts mounting will be glad to know that Iceberg, Romaine and Boston lettuce all are in the outstanding buy category among vegetables this week. New potatoes from California and the Carolinas, plus still heavy supplies of last fall's Maine crop, also are very cheap the week. Potato salad looks like a natural for the bargain hunter.

Vegetable Features

Snap beans, cabbage, radishes and bunched and topped beets also are rated outstanding buys as the crops available from nearby fields gradually increase every week. Good buys may be had from among yellow and green squash, corn, topped carrots and cucumbers, although the last-named are reported to have a wide range of quality and condition.

More moderately priced this week are celery, peppers, bunched carrots and onions.

Watermelons Top Buy

Watermelon, guaranteed to relieve almost any heat wave even if only momentarily, heads the outstanding buy list among the fruits. The long green melons got off to a fast start this season and produce men look for a 10 per cent increase over last year in the 1957 crop.

Florida oranges and grapefruit also are outstanding buys again this week, while good buys include California oranges cantaloupes, Georgia and Carolina peaches and blueberries from New Jersey patches. Both peaches and blueberries are just coming in to their seasons, so should get cheaper and more plentiful in the next few weeks.

Lemons and limes, however, are more expensive this week thanks to the big increase in demand from those seeking to "beat the "heat" with iced tea, lemonade and other drinks.

Judge Bruhn Adjourns Trailer Cases Until Tuesday, June 25

Four alleged violations of the Town of Ulster trailer camp ordinance were before County Judge Louis G. Bruhn Wednesday and were adjourned until Tuesday, June 25.

The cases all involve charges of failure to comply with a recent ordinance which will be given a legal airing on July 22 before the Appellate Division of the Supreme Court in Albany under a show cause order granted by Mr. Justice Bergan. At that time the Town of Ulster will be required to show cause why the enforcement of the ordinance should not be stayed pending the determination by the courts as to its constitutionality.

Mrs. Matty Every, Flatbush road trailer camp operator, was arrested June 14 and entered a plea of innocent before Justice Harold A. Macholdt of the town of Ulster. Bail was fixed at $25 but Mrs. Every declined to post bail, stood on her constitutional rights and was remanded to custody of the sheriff. Later her attorneys, John J. Schick and Aaron Klein, secured a writ of habeas corpus from County Judge Bruhn and she was released from custody.

Matter Adjourned

On Wednesday the habeas corpus was heard before Judge Bruhn. John J. Schick and Aaron Klein appeared for Mrs. Every and District Attorney Howard C. St. John appeared for The People. After argument on the habeas corpus had been heard, Judge Bruhn asked for additional information and the matter was adjourned to next Tuesday.

In the cases of Robert D. Mitchell, Trailer Haven camp proprietor whose establishment is located at the junction of Route 9-W and the East Chester Street By-pass; Arthur Ganquist, whose place is located on Onteora Trail and Anthony Cicoria, whose place is on the Sawkill road, an application was made for a certificate of removal from the court of Justice Macholdt to county court on the grounds Justice Macholdt was disqualified since he as a member of the town board of the town of Ulster had been involved in the adoption of the ordinance and therefore should not sit in judgment of any allegation of its constitutionality.

Reserves Decision

Judge Bruhn reserved decision on the application for removal and adjourned the matter until next Tuesday.

At the hearing on Wednesday before Judge Bruhn it was agreed there would be no further prosecution of alleged violations pending the decision of Judge Bruhn in the four cases now pending, and decision in the Appellate Division on the constitutionality of the ordinance.

Among the objections raised by counsel was that the information charging the violations was insufficient; that Justice Macholdt should be disqualified to hear the cases and did not have jurisdiction since he was a member of the town board which approved the ordinance now before the Appellate Division on a question of its legality; that many sections of the ordinance were unconstitutional and on other grounds.

Criticize Provisions

Defendants alleged through counsel that among the unconstitional provisions in the ordinance is one that a licensee of a trailer camp can lose his license if a crime is committed on the premises, even though the licensee has no control over the acts. They also allege the license is revenue producing in that it is in excess of the cost of issuing the license and the making of necessary inspections of the camp and that the town has no right to seek revenue from this source.

Another provision attacked is that the ordinance requires a fence from 5 to 6 feet high surrounding the trailer camp and that the cost is prohibitive and that in the case of one camp the cost would be in excess of $25,000. A requirement that outhouses be provided is also attacked, it being contended that modern trailers have built in sanitary systems and central sewage systems etc., are provided.

Say Cost, Prohibitive

The defendants contend that if all of the provisions of the ordinance are complied with the cost would be prohibitive and practically eliminate the trailer business and cause them to lose many thousands of dollars which they have invested in roads, water, sewage and other improvements and that in effect the ordinance would deprive them of property without due process of law.

It was pointed out to the court that there is no objection to regulation in reasonable degree but the regulations now contained in the ordinance are prohibitive, burdensome and would cause them to cease to operate if they are required to comply.

Counsel pointed out to the court that the defendants had but three courses open: comply with the ordinance which they cannot do because of the extreme cost; go out of business and lose their investments; test the validity of the ordinance. It was the latter course which was chosen. Counsel said the present ordinance went far beyond regulation, it is unreasonable and oppressive.

Parakeet Clams, After 'Hello'

A large "hello!" from a small, unseen source mystified Isom Clinton, of 86 Farrelly street, an employe of the Hutton brickyard, for a time yesterday.

The greeting, repeated several times, appeared to come from the cab of Clinton's pickup truck as he was about to get aboard, but first inspection there indicated that the cab was empty.

Then he looked downward, after another "hello!" or two, and saw a green and yellow parakeet on the floor of the cab.

Mr. Clinton took the bird home with him and got a cage in which to keep him pending possible future word from his owner.

But now, Clinton indicated today, the bird has clammed up completely.

"You know," he said, "since that bird has been at my house, he don't say one word." Not even "hello!" again, it appears.

Driver Is Held On Charge She Left Crash Scene

Margaret J. York, 21, of 8 York avenue, Monticello, was arrested early today on a charge of leaving the scene of an accident after a report that an oil rack and gas pump at the gas station at Broadway and St. James street had been struck and damaged by a car.

The case was adjourned to June 25 when she appeared before City Judge Raymond J. Mino today.

Police were notified of the mishap at 1:37 a. m., and a report at 1:50 a. m. said that the young woman had been located by officers Floyd Krom and Gilbert Gray on Broadway, and was booked on the charge.

John Matthews, 22, of East Main street, Port Ewen, was arrested on Broadway at 2:45 a. m., on a charge of speeding. He was fined $20 in city court.

The case of Thomas J. Miller, of Box 68, RD 1, Kingston, who was arrested Tuesday on Abeel street by Officer Gurnsey Burger, Jr., on a charge of passing a school bus is due for city court trial tomorrow. He pleaded innocent in court yesterday.

The case of Ethrom Little, 34, of 17 East Strand, who appeared in court yesterday on a charge of driving without a license, was put over until June 25 to permit him time to obtain counsel.

Attorney John E. Gotelli appeared for the district attorney's office in court today.

Quincy, Ill. (AP) — Burglars broke into a downtown drug store and took $122.50 from the cash register despite the tear gas bomb that exploded when they punched a safe.

Area GI With Gun Is Arrested

An 18-year-old Napanoch GI, who was taken from the Empire State Express at Schenectady Tuesday night after passengers became alarmed over a pistol bulging in his trouser pocket, was being held in the Schenectady county jail today pending police investigation.

Pvt. Robert L. Timms was committed to jail after arraignment in Schenectady Police Court Wednesday on a charge of vagrancy.

Timms was taken from the New York Central's Detroit-to-Albany express after the conductor, Edward Keefer of Syracuse, wired ahead for police assistance. He told police the gun, a loaded .38 caliber revolver, was visible in the youth's trouser pocket and that several passengers became concerned.

Timms reportedly told police he purchased the gun in Detroit and planned to use it to "shoot snakes" near the home of his grandmother, Mrs. Gertrude Miller of Honk Hill on the outskirts of Napanoch.

Timms was reportedly en route to Fort Dix, N. J., from where he was to be shipped to Germany.

24 Poised for Flight

Fort Lauderdale, Fla., June 20 (AP)—Twenty-four women fliers in 14 planes were poised to take off today on the 280-mile flight to Varadero, Cuba, in the Women's International Air Race. They were to report to Broward Airport at 8 a. m. (EST) for instructions and will rendezvous with the coast guard before heading for Cuba. Most of the flight will be over water. The ladybirds began arriving here Monday night after a flight from McAllen, Tex., start of the race. Jane White, Wayzata, Minn., and her co-pilot, Jean Scheifley, Rochester, Minn., were first to arrive.

Financial and Commercial

New York, June 20 (AP)—Gains in steels, aircrafts and selected issues gave the previously lower stock market an irregular pattern early this afternoon.

Trading was moderate. Gains and losses by key stocks were kept generally within a point.

Oils, which have outperformed the rest of the market most of this year, continued to lose some ground today. Leading rails and utilities also were down on average.

Chrysler was the standout in the automotive division, rising more than a point. General Motors and Ford were steady.

As aircrafts recovered from recent losses, Boeing, Douglas and United were all ahead about a point.

On the American Stock Exchange, prices were irregular in moderate trading.

Corporate bonds continued lower in quiet trading.

U. S. government bonds rallied slightly from their recent slump, posting small gains in slow dealings over the counter.

Fails to Publish

Rochester, N. Y., June 20 (AP)—The Rochester Citizen, a 11½-year-old weekly tabloid, today failed to publish. Albert J. Christiano, publisher, declined comment. Christiano formerly was associated with the Rochester Sun, similar weekly that ceased publication in December, 1955. The Sun was founded in 1937.

Detroit's public transit system retired the last of its trolley cars in April of 1956.

JCC Opens Summer Family Site Sunday

The Jewish Community Center will open its summer family site to members of the Jewish Community Center Sunday, June 23 at 1 p. m. at the Esopus Lake Hotel.

Considerable improvements in the grounds have been made by the summer site committee. The membership may invite its friends for the opening day from 1 to 4 p. m.

The summer schedule announced by Chairman Sid Halpern is as follows:

Monday through Thursday 4:15 p. m. until 8 p. m.; Fridays 4:15 to 7 p. m.; Saturday swims from 1 to 8 p. m. and Sunday. family day, from 11 a. m. to 8 p. m. At these times the grounds will be officially opened and the pool supervised by a qualified life guard. The grounds and pool will be opened only to members of the Jewish Community Center, following the open house Sunday, June 23.

Due to the extremely hot weather limited use of the pool at the Route 9W site will be permitted during the hours of 6 p. m. to dusk.

mer as president of the New York State Association of City and Village Clerks.

The role of the community in future road-building was also emphasized at the conference, and Attorney General Louis J. Lefkowitz urged municipal officials to "begin at once" in pinpointing how the nation's future highways will best fit their needs."

Otherwise, Lefkowitz said, many small cities and villages face the prospect of "drying up" unless they are in the path of the superhighways of the future. He offered a broad program for study and suggested that it be made the subject of a special conference.

"Municipalities cannot sit back and wait while the interstate system takes physical form. They must take the initiative to determine now how this system will serve them," Lefkowitz said. He suggested that cities must:

1. Evaluate the effect of proposed superhighways on city traffic and, where necessary, provide additional points where traffic may enter or leave the highways to speed the flow.
2. Correct traffic bottlenecks.
3. Move now to acquire rights of way for construction of connecting links to the interstate system.
4. Prepare to alter street systems at points where they interfere with interstate highway connections.
5. Take a long-range look at zoning changes to prepare for problems created by new highways and possibilities of future growth.
6. Consider the possibility of relocating industry, business and even residents who may be displaced by highway construction.
7. Consider the effect on municipal finances, where some properties may be taken from tax rolls.
8. Plan now to employ additional highway engineers, already in short supply.

Envoy Reports:

Allies Agreed On Modernizing Korean Weapons

Washington, June 20 (AP)—South Korean Ambassador You Chan Yang said today he understands the 16 allied powers have agreed on a program for modernizing weapons in South Korea.

Yang said in an interview that the United Nations command is expected to notify the Communists of the western alliance's intentions at a meeting called in Panmunjom tomorrow.

Would Change Pact

"I believe the reason for the meeting is to change the armistice agreement in order to let the United Nations Command build up to the strength of Communist forces in North Korea," the ambassador said.

"Certainly that should be done," he added. "We should not repeat the 1950 tragedy which allowed the Communists to build up the nth degree while we were sitting there like clay pigeons."

He said the Communist build-up in North Korea is "not a fantastic dream."

Sees Right Decision

"Under these circumstances I am sure the right decision has been made by the allied powers," Yang added. "I congratulate those people who see danger ahead. If we weaken ourselves we are inviting trouble."

Yang returned last week from a European visit which covered all the allied powers that participated in the defense of Korea.

Detective—Excuse me (presenting himself at the door of the music academy), but I hope you'll give me what information you have, and not make any fuss.

Man (indignantly)—What do you mean?

Detective—Why, you see, we got a tip from the house next door that sombody was murdering Wagner, and the chief sent me down here to work on the case

A football coach landed a player a job washing dishes for his meals. The restaurant hired other students on the same basis, and the owner was glad to get such a husky fellow. The player worked one morning, but that night he reported to the coach that the boss expected him to starve.

The coach went around and complained to the restaurant owner, whereupon the latter showed him a check for the following items of food: One extra large steak, a salad, potatoes, peas, corn, three cups of coffee and a double portion of dessert. Total $1.85.

Coach—It's a pretty big dinner.

Restauranter—Dinner me eye! That was his breakfast!

Harry Kurnitz, the playwright, was telling friends how determined he's been, as a youth, to become a proficient linguist. He studied Spanish, French, German and Latin at school, but has long since forgotten all but Latin.

"How odd," commented a friend. "Latin, of all languages! Why?

"Because," answered Kurnitz, "in Latin the teacher used to hit me."

Little Molly had been very trying all day. That evening when her grown-up sister was putting her to bed, she said she hoped the child would be a better girl tomorrow, and not make everybody unhappy with her naughty temper. Molly listened in silence, thought hard for a few moments, and then said wisely: "Yes, when it's me it's temper; when it's you it's nerves."

3 Teenagers Get 99-110 Years in Murder of Man

Chicago, Jun 20 (AP)—Three teenagers branded as "young rattlesnakes" by a prosecutor have been convicted of the murder of a motel keeper and their punishment fixed at 99 to 110 years in the penitentiary.

A criminal court jury convicted the trio yesterday of the murder of Charles Styrsky, 48, owner of a motel in suburban Aslip, on March 8 during an attempted holdup.

The jurors fixed punishment for Robert Maslowski 16, the triggerman in the robbery, at 110 years imprisonment. David Clark, 15, and Gerald Pelzer, 16, each drew 99 years. All will be eligible for parole after serving one-third of their sentences.

Asked Death Penalty

The state had asked the death penalty for "these young rattlesnakes" to "teach other young hoodlums on our streets they cannot go out, steal cars, commit robberies and kill people."

But after the jury returned its verdict, Robert J. Cooney, assistan Cook county state's attorney, said he was satisfied with the verdict and the recommended imprisonment.

As the three young defendants were led off to the county jail, Maslowski—who had heard the jury verdict impassively—fainted. He was revived in a corridor.

Single Milk Order Subject Friday At Accord Parley

DR. D. D. BROWN

Provisions and the estimated effects of the new proposed single milk marketing order for New York and New Jersey will be the subjects discussed at a milk meeting for all area producers Friday at Accord.

The meeting is scheduled to begin at 8 p. m. in Accord Reformed Church.

According to John S. Geary, Wawarsing, vice-president of the Shawangunk Cooperative Dairies, the meeting is open to all interested producers and their families. All farmers, regardless of cooperative affiliation, Geary said, are urged to attend. Refreshments will be an added highlight.

Top Dairy Specialist

Guest speaker at the evening program will be Dr. Dorris D. Brown, Syracuse, economist for the Mutual Federation of Independent Cooperatives. Dr. Brown, recognized as one of the northeast's top dairy marketing specialists, will be on hand to explain the features of the new order proposal, its mechanics and its major price lifting advantages to Order 27 producers. Dairymen will vote on the measure at a special referendum next June 25.

Although discussion will center on the single order plan, all milk subjects that farmers wish to be discussed will be aired.

A question and answer session will also be held.

The Shawangunk Cooperative and Mutual are jointly sponsoring the meeting as part of their informational service program.

Wasp Sting Fatal

Cape Girardeau, Mo., June 20 (AP)—Ray J. Hill, a 45-year-old farmer, was stung beneath the left eye by a wasp yesterday and died 15 minutes later. The victim's physician said he probably died from a violent allergy to the wasp's poison. Mrs. Hill said her husband sank into a chair and complained of pains about the mouth and tongue and a shortage of breath after he was stung.

Omaha, June 20 (AP)—Delegates to the 98th annual Synod of the Augustana Lutheran Church yesterday accepted an invitation to hold the next annual Synod at Jamestown, N. Y. The First Lutheran Church will be the host.

Presbyterians Are Praised by Speaker

Clinton, N. Y., June 30 (AP)—The president of the National Council of Churches says the Presbyterian Church "is playing a leading role in the efforts of millions of Asians and Africans to win their independence."

The Rev. Eugene C. Blake of Philadelphia, speaking last night at the Presbyterian Synod of New York, said "this revolution is not Communist-inspired. It is really an extension of the American revolution."

The Rev. Mr. Blake said also that the church was "a powerful factor in the successful establishment of civil rights principles and the constructive opposition to the movement called McCarthyism."

The Synod postponed to today action on committee reports dealing with the nation's disarmament program and the proposed amendment to legalize bingo in the state.

Action on the reports was delayed after several amendments were offered to strengthen the wording on an anti-bingo stand, and favoring an immediate end to atomic bomb testing.

The Synod's 75th annual meeting ends today.

DO YOU REMEMBER

By SOPHIE MILLER

In one of the recent newspapers I read that they are trying to raise various herbs and roots in this country for medicinal purposes, which otherwise they have to import. They do not seem to have much success with its growth here.

I remember years back in my fathers' drug store, herbs were a big item. He had a handwritten pad in which he kept the various herbs in alphabetical order telling him where each one was. I imagine there were hundreds of such herbs, which he knew by taste, smell and the way they looked, as he began his study of pharmacy in the old country where often the peasants used to bring the herbs fresh to the pharmacies there. The pharmacists and their assistants in their 'Latin Kitchen' as they called their laboratory used to make the fresh herbs, grasses, roots, flowers etc., into useful medicines.

I think today the art is nearly lost, and those who used to ask for them have died of old age. We had some very elderly customers who used to ask for these items.

The only thing that interested me about these items were the odd names, like: Angelic root; laurel leaves, buchu leaves, bitter apple, Buckthorn bark, blood root, calamus root, cinchona bark, cardamon seed, elderberries, Irish moss, krameria root, poke root, snake root, smart weed, coltsfoot.

Then there were various teas, like Sassafras and Sage. He could open a package and tell by the looks of it what it was, if it was all right. He would often rub some of it in the palm of his hand and smell it, or even taste it. To him they were all old friends. I think that is a lost art today. I remember he used to give me a bit of slippery elm bark to chew on when I had a cold, or make a dried raspberry tea. Of course the Indians knew all about slippery elm bark when the colonists got here. They knew much about roots, and leaves and things and what was good for what.

I am sorry that my father did not teach me at least a little about those items. Every summer I have tried to buy catnip seeds or even plants for the pleasure of my cats and what did I find. That plants cannot be bought in or around here, although it grows wild here and there.

This year two friends of mine, Mrs. Kelly and Mrs. Cameron brought me lovely plants. One, I put too close to my kitty and when I was not looking he ate everything, just left one tiny leaf. No doubt by that time he was so full of it he was high. I am trying to root it so it will grow wild in my yard. Those that have cats know what catnip does to cats. It certainly is a tranquilizer and then some, for the cats after eating one or two leaves roll and tumble and finally end up in the most relaxed sleep that any high priced executive would give a week's salary for it.

Through the publisher of Cats Magazine of Pittsburgh, Pa., Bohns of Route 2, Napoleon, Ohio, sent me a plastic bag of fresh picked catnip for 25 cents as a sample. He sells them professionally to pet shops and private customers in pints of fresh picked and in plants for replanting. His catnip is very potent according to reactions of my cats.

Following is printed in his packaged catnip: "Catnip is a herb that everyone thinks of as being the perfect tonic and dassert for cats. Our grandparents also used catnip to make a delicious tea for family use. A cup of hot catnip tea before bed time brings restful relaxing sleep. Soothing to the nerves and stomach. To make tea use one teaspoon of catnip leaves in a cupful of boiling water. Allow to stand a few minutes. Use sugar or lemon as preferred." In his letter he mentions that a pint of fresh picked catnip is $1 or two plants are $1. I do not know if that Ohio catnip will take root here, but the catnip he sent seems stronger than our, but my cats love it.

Unneeded

Dallas, Tex. (AP)—Parking lot operators are looking for autos to fill the 15,000 spaces added in recent years to meet what was termed a drastic need. One of them, Fred A. Lanier, says business is bad despite reduced rates. "Dallas is set for months and probably years to come." he adds.

Changing Service

Fort William, Ont. (AP)—The time is approaching when the functions of many city departments will be turned over to private interests. Because of rising costs, says Alderman J. J. Spooner, "We will make a saving and promote better service, at least," he says.

Scientific Bid Assures Game

BY OSWALD JACOBY
Written for NEA Service

Take a look at the North cards only. Your partner opens one no-trump. What should you do?

If you want to leap right to three no-trump you will probably do all right. There is some chance that this contract won't make. There is also some chance that you will be missing a slam, but in most cases you will be in the proper spot.

The JTB allows you to bid this hand most scientifically. You start by responding two spades. This is the club transfer and your partner will go to three clubs as demanded.

Your second bid should be three spades. This bid is a force to game and shows that you have a spade-club hand with more clubs than spades. It also warns your partner that he has got to take care of the red suits if he wants to play no-trump.

This second bid won't leave South much of a problem. He won't want to raise either black suit so he will bid three no-trump, whereupon you will pass.

South managed to make six in the play. He won the opening heart lead and ran six clubs and two spades, stopping in his own hand. He discarded three diamonds and a spade on dummy's clubs while West discarded three diamonds.

Now, South cashed the ace of hearts and led the queen of diamonds. West won with the ace and had to lead a heart up to South's king-ten.

Substitute Ham

New York (AP) — The new Broadway trend of having alternates appear in place of lead performers at certain performances each week has spread to the animal kingdom now. Robert Weede, of "Most Happy Fella," and Rex Harrison, of "My Fair Lady," who began the time-off schedule, have been joined by Salomey of "Li'l Abner." Each Wednesday matinee another porter substitutes on-stage while Salomey appears before the camera for a series of film shorts.

Ex-Convict Held In Girl's Death

Rochester, N. Y., June 20 (AP)—A 19-year-old ex-convict was being held for grand jury action today on a charge of second-degree murder in connection with the shooting of his girl friend.

The youth, Robert Van Dyne, was accused by police of shooting Barbara Kaye Tickner, a high school senior who withdrew from school a few weeks ago.

Van Dyne waived examination at his arraignment yesterday and was ordered held for grand jury action by City Court Judge Fred B. Goodelle.

Police said the girl was found naked, and shot to death on a daybed in the apartment of a friend early yesterday.

Investigators quoted Van Dyne as saying that the girl had shot herself with a .32 caliber revolver.

Shot in Left Side

Detective Capt. Charles Austin said, however, that the girl was shot in the left side of the head although she was believed to be right-handed. He said, also, that the weapon was found more than arm's length from her body.

Austin said the girl was believed shot during a quarrel with Van Dyne.

Members of the girl's family and others, Austin said, told the authorities that the girl had been planning to become engaged to an unidentified man returning shortly from the army service.

Two Held as Witnesses

Clarence Kirkpatrick, 22, in whose apartment the body, was found, and Carol Corey, 18, also in the apartment at the time, were being held as material witnesses, police said.

Van Dyne, police said, was an unemployed house painter, who was sentenced to McAlester State Penitentiary in Oklahoma on a charge of burglary in 1955.

Back to Hospital After Gorge Incident

Niagara Falls, N. Y., June 20 (AP)—A 27-year-old war veteran was under observation in Buffalo State Hospital today after spending a half hour in the branches of a tree overhanging the 170-foot deep Niagara River Gorge yesterday.

The former serviceman, calling for his wife, was persuaded to come out of the tree by a clergyman who had officiated at his marriage last March and whom the man had visited earlier in the day.

Police said John J. Gruner climbed into the tree at the brink of the gorge just below Niagara Falls and pleaded to the crowd that gathered to summon his wife, Dolores, 19.

"Please get my wife. I want my wife." Gruner shouted.

A police car was sent for Mrs. Gruner, but while en route to the scene collided with another at an intersection. Mrs. Gruner, a patrolman, and the driver of the other car, were hospitalized. Mrs. Gruner suffered a fractured arm. All were reported in good condition.

The Rev. Paul J. Hartenberger, pastor of Trinity Lutheran Church, was summoned to the scene and he persuaded Gruner to come down from the tree.

"I helped you once before and I can help you again," the pastor said to Gruner.

The clergyman said Gruner had been despondent because he could not find a job.

Police said Gruner was a patient in Buffalo State Hospital for seven months last year. He was ordered back to the hospital for observation by Dr. Jerauld Campbell, Niagara Falls health officer.

Festival Committee Sets Informal Concert

Woodstock, June 18 — Woodstock Festival Committee will give a buffet supper party and informal concert Saturday at 6:30 p. m. at Byrdcliffe Theatre for the purpose of raising funds for this summer's Woodstock Festival of Music and Art.

All available star performers now in Woodstock will participate. There will be vocal offerings by the principals of the Turnau Opera Players and by Woodstock's own Jane Wilson Molyneaux; chamber music by the Woodstock Quartet; violin solos by William Kroll's amazing young star pupil Fenny Ambrose and folksongs by Sam Eskin and Barbara Moncure.

Dr. James T. Shotwell has again graciously consented to contribute one of his poignant and informative intermission speeches about the importance of Woodstock as a unique center of the arts, music and crafts.

Last year's fund raising party was considered by many who attended as the outstanding and most stimulating social and cultural event of the season.

Tickets for supper and concert will be available at the entrance to the Viletta. Those who plan to attend are asked to call the committee chairman, Joseph Deutsch. Contributions to the cause of the festival.

Parnassus Square Presentations Slated

Woodstock, June 18—Some unusual fare in exciting entertainment will be seen and heard this summer at Parnassus Square.

Ben Meyers of Woodstock is presenting films, jazz and folk music and dancers, and a regular Tuesday night series of art films and films on many unusual subjects, not likely to be seen elsewhere.

Launching the summer program of music not ordinarily heard in Woodstock, Meyers will present a session of jazz on records, Saturday night, June 29. A number of the discs are private recordings of jam sessions which he arranged with some of the top jazz men of this country. The title of the program is Saga of Jazz, and will also include parts of his St. Louis Blues collection, one of the largest anywhere.

Saturday night, July 13, the celebrated classical guitarist, Anatole Malukoff, will give a concert. He is the famous recording artist whose latest album is devoted entirely to works of Paganini.

The Tuesday night film series will commence July 9, and will run for eight weeks. Films on the artists Picasso, Dufy, Renoir, Duchamp and on such writers as Sean O'Casey and Sandburg will be amongst those to be presented.

Readings from Chekhov and Twain will be held and some lecutres on art and writing are already booked, along with some top flight folk singers and dancers. The season will end with an Artists' Potpourri, a program of local artists with talent which is usually only displayed in more intimate surroundings.

Further details will be announced later.

Dental Clinic Set

Woodstock, June 18 — Miss Anne Cassidy, public health nurse, has announced that there will be a pre-school dental clinic for children four and five years of age, on June 24 and 26, sponsored by the Ulster County Health Department.

In order to attend the clinic it is necessary for parents to make appointments for their children. Woodstock parents are asked to call Mrs. Victor Busch, on June 20 and 21, for appointments.

Parents in West Hurley are asked to call Mrs. George Nussbaum at Kingston on June 21 and 22.

Actor Faces Jail

Los Angeles, June 20 (AP)—Despite a dramatic courtroom performance, actor Anthony Franciosa faces a 10-day jail sentence for kicking a photographer. Francioca turned on some impassioned oratory, punctuated with a great deal of arm waving and fist pounding, when the prosecution yesterday urged a jail sentence for his April 29 attack on a cameraman who tried to photograph him and actress Shelly Winters, now his wife. Municipal Judge Mark Brandler remained unimpressed by the performance and fined the 29-year-old actor $250 in addition to sentencing him to jail. Franciosa's attorneys filed notice of appeal and he remained at liberty on $250 bond.

Survives 68-Foot Fall

Buckley, Ill., June 20 (AP)—Working atop a 68 foot water tower, construction worker Paul E. Sharp, 30, of Bloomington, Ill., plunged to the ground, yesterday. He survived the fall but is in critical condition in a hospital. Glen De Atley, water superintendent of Buckley, said he was at the base of the tower when he heard a scream and looked up and saw Sharp falling. He said he could not account for Sharp's fall.

Actor Faces Knife

Hollywood, June 20 (AP)—Actor John Conte undergoes an appendectomy today, so both he and Mrs. Conte are occupying beds at Cedars of Lebanon Hospital. Conte and wife Ruth vowed when they were married they would never be separated from each other overnight. She will leave the hospital daily to occupy his host's chair on television's "Matinee Theater." Conte took up residence at the hospital for several days last year when his wife lost their expected baby.

Chaplains Make Converts

Washington, (AP) — Military chaplains have brought 5,597 new members into the Methodist church in the last two years, a report of the church's commission on chaplains shows. The 600 Methodist chaplains, assigned to military bases around the world, performed 8,870 baptisms in the period, including children of servicemen. In the Methodist church baptised children are not counted as members until they join of their own accord.

Mrs. Henry Heustis will teach in Hurley next fall and Mrs. Joseph O'Connor retired. Gifts were presented to both teachers by the pupils. Gifts also were presented to the graduates. Miss Lynn Whitman received the award presented each year by the Womans Club of Rosendale as the pupil making the greatest advancement during the year.

Graduates are Charles Sapone, Nancy Hall, Attilio Contin, Corinne Evory, Dorothy Hall and Edward O'Connor.

Paul Newkirk, principal of the Malden School for 13 years, will be the new principal in the fall and Mrs. Stephen Huben of Rosendale will teach the lower grades.

Mr. and Mrs. Louis Becker Sr., of Kingston, visited Mr. and Mrs. Neal Hotaling last week.

Reading Tools

East Lansing, Mich. (AP)—An expert on the subject says newspapers should be available in classrooms, offices, libraries and lounges of schools to encourage reading. Dr. Roma Gans, Columbia University reading specialist, suggested newspapers as "reading tools" at a conference of Michigan school teachers and principals. "Too often," Dr. Gans said, "teachers are ordered to teach without proper tools."

Luscious Cherry Pie Has That Fourth of July Look

PATRIOTIC LOOK in this pie comes from the red luscious cherries that are bound to make a Fourth of July hit.

BY GAYNOR MADDOX
NEA Food and Markets Editor

As red as the stripes in the flag, this lucious pie has the Fourth of July look. The recipe has also a romantic slant.

Mary Ann Barthomy, of Henrietta, N. Y., won a red cherry pie baking contest against 150,000 girls between 14 and 21. But this isn't the prize-winning recipe. It's the one her favorite boy friend liked best.

Cherry Pie Web

Two No. 303 cans water packed pitted red sour cherries, 1 cup sugar, 2 tablespoons quick-cooking tapioca, 1 tablespoon cornstarch, ¼ teaspoon salt, ⅛ teaspoon mace, 2 tablespoons chopped almonds, ¼ teaspoon almond extract, red food coloring, pastry for 2-crust, 9-inch pie, 1 tablespoon butter.

Preheat oven (425 degrees F.). Drain cherries and reserve 1 cup juice. Mix sugar, tapioca, cornstarch, salt and mace in saucepan. Stir in the reserved cup of juice and cook over low heat, stirring constantly, until thick and clear. Add almonds, almond extract, cherries and a few drops of red coloring to make a good cherry red. Let mixture stand while preparing pastry. Line 9-inch pie pan with pastry. Pour in cherry mixture and dot with butter. Arrange lattice of pastry strips on top. Bake 40-50 minutes.

Directions for Web Lattice Top

Roll out half of pastry into 12-inch circle. Cut 2 pastry circles ½ inch wide; 6½ and 4 inches in diameter, respectively. Cut single 2-inch circle for center. Reroll and cut remaining pastry into ½ inch straight strips. Moisten outer rim of pastry in pie pan. Arrange some of the straight strips in spoke design. Top with circles. Cover entire rim of pie with pastry strips and press down to seal ends of all strips firmly. Bake as above.

TOMMORROW'S DINNER: Casserole of beef and fresh vegetables, fluffy rice, soft rolls, butter or margarine, tomato, green pepper and lettuce salad, red cherry pie web, coffee, tea, milk.

The U. S. Naval Operating Base in Bermuda is situated on 225 acres of land leased on a 99-year-rent-free contract granted to the U. S. by Great Britain during World War 2.

New Bonnet

Cape Henry, Va. (AP)—The old Cape Henry lighthouse, whose fish oil lamps guided ships into Chesapeake Bay for 90 years until 1881, is getting a new dome. The old light, near the point where Virginia's Jamestown colonists first landed in 1607, was built in 1791-92. George Washington appointed the first lighthouse keeper. The lighthouse was neglected from 1881 to 1930 when Congress deeded the structure to the Assn. for the Preservation of Virginia Antiquities.

R. Evelyn Violette Weds Saugerties Man

Miss R. Evelyn Violette, daughter of Mr. and Mrs. J. Leith Violette, 61 Pioneer street, Cooperstown, became the bride of William G. Whitney, son of Mr. and Mrs. George Whitney of 14 Allen street, Saugerties, in a ceremony performed Saturday, June 15, at 2 p. m. in St. Mary's Church, Cooperstown.

The double ring ceremony was performed by the Rev. Robert Murphy.

The bride was given in marriage by her father.

For her wedding, she wore a waltz length nylon chiffon gown over silk taffeta with a shoulder length silk illusion veil attached to a matching headpiece. She carried a cascade bouquet of white carnations and baby's breath.

The matron of honor was Mrs. Glenn Cook of Lake Katrine, sister of the bride. She wore a blue nylon organza waltz length dress with a matching bandeau for her headpiece. Her flowers were red and white carnations.

Miss Marianna Shepard, Cooperstown, was the bridesmaid. She wore a gown of blue nylon organza and carried a bouquet of pink and white carnations.

Glen Cook, Lake Katrine, brother-in-law of the bride, was the best man. Usher was the bride's brother, Joseph Violette.

Following the church ceremony, a reception was held at Tunnicliff Inn, Cooperstown.

The bride is a graduate of Cooperstown Central School and attended Plattsburgh State Teachers College and the Moran-Spencerian School of Business. She is employed as a secretary with the Public Health Department in Kingston.

The bridegroom is a graduate of Saugerties High School and a veteran of service with the navy during World War 2. He is a partner in the Garney Building Specialists, Saugerties.

Following a wedding trip to Atlantic City, N. J., the couple will make their home in Glenerie Lake Park, Saugerties.

MRS. BRUCE H. BECHTOLD
(Photo Workshop)

Elizabeth Rigby Weds Bruce Bechtold In Double Ring Ceremony at Old Dutch

On Saturday, June 15 at 2:30 p. m. in Old Dutch Church, Miss Elizabeth Ann Rigby, daughter of Mr. and Mrs. Harry Rigby Jr., 56 Plymouth avenue, exchanged marriage vows with Bruce Harford Bechtold, son of Mr. and Mrs. C. John Bechtold of 337 Foxhall avenue.

Officiating at the double ring ceremony was the Rev. Arthur E. Oudemool, pastor of the church.

Gilbert Cicio was at the organ and Mrs. Roberta Gaddis sang "Because," and "All Through the Years."

White gladioli, shasta daisies, delphinium and carnations, arranged in pedestal baskets, decorated the church for the occasion. There were also candelabra with white tapers and the pews were marked with white satin bows.

The bride was given in marriage by her father. She wore a gown of embroidered organdy fashioned with scalloped neckline, short sleeves and bouffant tiered floor length skirt. A cap of scalloped organdy with seed pearls held an imported silk illusion fingertip veil. The bride carried a cascade bouquet of stephanotis, white roses, glamellias and ivy.

Miss Ann Griffin of 6 Maiden Lane was the maid of honor. She wore a white nylon sheer over maize tulle and taffeta, styled with an Empire bodice, square neckline and very full ballerina length skirt. She also wore a Swiss straw picture hat and carried a basket of blue delphinium, yellow roses, carnations and baby's breath.

The bridesmaids, who were gowned identically as the honor attendant, included Miss Betsy Bechtold, sister of the bridegroom, Miss Patricia Grundhopper, Scotia and Miss Gail Parsons, Oneonta.

Serving as junior bridesmaid was Miss Susan Rigby, sister of the bride. She was attired in a maize nylon sheer over taffeta and a band of delphinium and sweetheart roses was worn in her hair. Miss Rigby carried the same type of flower basket as did the bridesmaids.

John G. Bechtold, brother of the bridegroom, who is with the U. S. Air Force at Camp Drum, served as best man. Ushers included Theodore Gartner of Hasbrouck Heights, N. J.; William Schaffroth, Ambler, Pa.; Warren Bechtel, Allentown, Pa. All of the ushers are fraternity brothers of the bridegroom.

Neil Bechtold, brother of the bridegroom, was the junior usher.

A reception was held at the Nieuw Dorp in Hurley for approximately 125 guests following the church ceremony.

Mrs. Bechtold is a Kingston High School graduate. She attended Drew University, Madison, N. J., and was graduated from the Mildred Elley School, Albany. She is employed as a secretary by IBM in Kingston.

The bridegroom, a Kingston High School graduate, is in his senior year at Lafayette College, Easton, Pa. He is a member of Sigma Chi and a reserve officer in the army ROTC.

For her wedding trip to Atlantic City, N. J., the bride wore a royal blue print with large black straw hat and black shoes. She also wore a corsage of white roses.

On Sept. 1, the couple will make their home in Easton, Pa.

Personals

Mr. and Mrs. James Vernon Mooney of Brooklyn and Morgan Hill, are vacationing in Florida. While there they will visit with relatives and friends and return to their home at 62 Arlo road Grymes Hill, S. I. in July. Mrs. Mooney is the former Elizabeth Morrissey. She was wed to James Mooney on Feb. 25 of this year.

Rondout Valley To Graduate 17

Rondout Valley Central School will hold its first high school commencement on Monday, June 24, at 8 p. m. in the Kerhonkson School auditorium. This will be the 31st exercise of the former Kerhonkson Union Free School.

Dr. Joseph E. Gould, dean of students, Fredonia State Teachers College, will deliver the main address entitled, "Character, Courage and Conduct."

On Sunday, June 23 the first baccalaureate service will be held in the Kerhonkson school auditorium at 8 p. m. The Rev. Paul Babich, minister at the Kerhonkson Federated Church of Kerhonkson, will be the officiating clergyman. The Rev. George Wood of the Accord Reformed Church will read the scripture and deliver the sermon. The Rev. Paul Babich will offer the invocation and prayer and Shalom Michaeli, Kerhonkson, will give the benediction.

In view of the large seating capacity of the Kerhonkson auditorium, both the baccalaureate and commencement exercises will be opened to the public and all area residents are invited to be present. Certain reserved sections, however, will be set aside for the graduating class, their parents, board of education, members of the teaching staff and guests.

The graduating class numbers 17 and it is expected that all students will complete requirements for graduation.

AAUW Members To Attend Meeting

The Kingston Branch will send a delegation to the 75th convention of the American Association of University Women meeting in Boston from June 23 to 28. The delegation includes the president of the local branch Mrs. Rossell Hope Robbins of Katsbaan, Mrs. William E. Powers Jr. of Kingston, Mrs. John J. Erickson of Woodstock and Mrs. James Cawston of Kingston.

This anniversary is a "come-home" affair. It was in Boston that on November 28, 1881, 17 college alumnae met to discuss formation of an organization of women college graduates, and early the next year 65 graduates of eight colleges and universities founded the association.

Present membership is more than 140,000, with 1365 branches in the 48 states, District of Columbia, Alaska, Hawaii, and Guam. A total of 377 colleges and universities is represented.

The American Association of University Women conducts a vigorous study-action program in the fields of international relations, education, social studies the arts, and a legislative program expressing association interest in these fields. It awards numerous national and international grants.

During the five days of the convention, the keynote speakers at the Boston Opera House will be the association president, Dr. Anna L. Rose Hawkes, and Mlle. Jeanne Chaton, president of the International Federation of University Women.

Other featured speakers will include Dr. Maria Jahoda, professor of psychology at New York University, Dr. Helen C. White emeritus professor of English at Wisconsin University, and the assistant secretary of state, Francis O. Wilcox. The convention will close Friday with a banquet, featuring president Katherine McBride of Bryn Mawr College and president Herman Wells of Indiana State University.

More than 200 delegates will attend from New York State. A get-together for the state delegates is planned for June 24 after the close of the evening session.

Sawyer Receives Publisher's Award For 1957 Yearbook

LAURETTA TIERNEY

Three members of the 1957 staff of The Sawyer, Saugerties High School yearbook, will receive certificates of award given by Progress Publishers, Inc. for outstanding effort shown in yearbook publication, it was announced today by Miss A. Frances Larned, faculty advisor.

Heading the staff this year are Lauretta Tierney, editor-in-chief; Zane Lauva, literary editor; Rita Donohue, managing editor and Crystal Jobst, art editor.

New Editor Named

Also on the staff were Marian Swart and Rosemary Gatti, photo editors; Joan Cotich, one of the literary editors; Joyce Patterson, one of the art directors; Donald Whitaker and James Sandner, sports editors; William Zeilman and William Ziegler, humor editors and the advertising staff included Beverly Hrdlicka, manager; Kay Moose, Judy Miller, Dianne Mack, Jill Robinson, Daryl Hargreave, Barbara Dennis and Nancy Overbagh.

Rosemary Raucci, newly selected 1958 editor-in-chief was club's editor this year.

The letter announcing these awards read in part as follows: "We are pleased to announce that your yearbook staff has been selected to receive three Certificates of Award given by our company to those schools whose yearbook effort has been outstanding. This is made to stimulate interest and greater effort on the part of yearbook staffs and to reward those members whose work has been outstanding.

Based on Excellence

"It is based on excellence in the preparation of material, meeting of deadlines and general content of the book. You are to be congratulated on the fine training you have given your staff. Please congratulate them on the fine performance of their duties.

"The Certificates of Award will be made to those three staff members whom you deem worthy by virtue of the effort they have made on the publication. Please make your recommendations on the basis of attendance at meetings, amount of work accomplished, initiative shown and ability."

The Certificates of Award will be presented at commencement June 25 to three members of the staff who have made extraordinary contributions to the 1957 "Sawyer."

IBM Chorus Concert Slated for June 22

Jerome Kern, Rodgers and Hammerstein and Mozart will blend with other popular and classical composers at the IBM Kingston Mixed Chorus concert, June 22.

The 34-voice group, directed by Robert Van Valkenburgh, will begin the concert at 8:15 p. m., in George Washington School auditorium, Wall street.

IBM employes, their families and friends are invited to attend. Admission is free and no tickets are required.

Opening with Mozart's Ave Verum, the first portion of the program includes Cherubim Song, by Glinka; The Lord's Prayer, by Malotte; and, Listen to the Lambs, by Dett.

A spiritual, Oh John, arranged by Reynolds; Morning, by Speaks; Brahms' Cradle Song; and, You'll Never Walk Alone, by Rodgers and Hammerstein, comprise the concert's second portion.

Sympathy, from Friml's "The Firefly"; All the Things You Are, by Kern; Once in Love with Amy, by Loesser; and, Coming Through the Rye, arranged by Simeone, will conclude the Chorus offering.

Soloists are Miss Mildred B. Newkirk, soprano, of Mechanical Design, and John E. Breithaupt, tenor, of Field Engineering Personnel.

Miss Newkirk began her vocal career with A Cappella Choir at Saugerties High School. She also was a member of the Kingston Oratorial Society and the Catskill Treble Choraleers for three years.

Prominent in church work, Miss Newkirk spent five years as a singer at the Saugerties Dutch Reformed Church and directed the senior and junior choirs of the Saugerties Methodist Church for two years.

She has made numerous appearances at local civic affairs and on WSKN.

Mr. Breithaupt first performed with the A Cappella Choir at Kingston High School. Later, he appeared with the Sampson College and University of Bridgeport Glee Clubs and has been a member of the Poughkeepsie Mixed Community Chorus, the Euterpie Glee Club, Onteora Summer Chorus and Mendelssohn Club.

John Spino Completes Studies at Manhattan

John Spino, son of Mr. and Mrs. John Spino of Hurley, received a bachelor of arts degree in labor management from Liberal Arts School, Manhattan College, during commencement exercises held recently.

While at the college he was associate president of Omega Lambda Phi; assistant chairman of the business committee for the National Federation of Catholic College Students; member of Arts and Science Association; Manhattan College Glee Club; and varsity tennis.

Mr. Spino is a 1953 graduate of Kingston High School.

Time and the River

Richmond, Va. (AP) — Richmond's 500 city jail prisoners won't be sent up the river. They'll be sent down the river. That's because an expressway toll road will run through the site of the present city jail and the best quarters the city could find was a river terminal warehouse a mile below the city.

Rotary Auction Raises $700

Kingston Rotary Club realized approximately $700 from its annual auction held Tuesday evening in the Kingston Buick sales department, Broadway and Maiden Lane. President Robert L. Sabin gave the financial report of the auction at the luncheon meeting held Wednesday.

The president acknowledged the cooperation of local merchants who supplied merchandise and he praised the work of the auctioneers, who volunteered their services. He also thanked committee chairmen and members of the local service club who participated in the auction. The few articles remaining from the auction will be placed on the block at subsequent Rotary meetings.

Th money raised from the auction will be used to support local community projects.

Oakleigh Hamm, president of Red Hook Rotary Club, returned the Kingston Rotary gavel in the final exchange of gavels between the three sister clubs joined by the Kingston-Rhinebeck Bridge. Frederick Snyder, originator of the ceremony, observed the rites.

Wednesday's program was a presentation of the aims and progress of the YWCA.

The club services of the Y-Teens in the community and nation and also the international scope of the YWCA was presented by a Y-Teens panel. Members comprising the panel were Patricia Van Deusen, Lynda Marz, Carol Wood, Karen Byrne and Jacqueline Rethier. They were introduced by Mrs. Malcolm Sergeant.

Coast Brushfire Menacing Homes

Los Angeles, June 20 (AP)—A brushfire, roaring out of control in southern Riverside county, today neared cabins and homes in Dawson Canyon near Corona. Residents were ordered evacuated.

The fire burned into ranches in the Gavilan Hills last night, forcing evacuation of several families. A few outbuildings were destroyed but only one home burned.

Early today more than a dozen families were evacuated from Dawson Canyon, where many homes are located. The fire is now about six miles from the edge of Corona and has burned some 4,500 acres.

Altogether more than 350 firemen are battling the Corona blaze and a second 45 miles away at Cherry Valley, near Beaumont.

The Beaumont blaze has covered 600 acres. No homes are menaced in that area, state forestry officials said.

Most severe recorded earthquake occurred at Lisbon, Portugal, in November of 1755.

Kokichi Mikimoto, a Japanese, invented cultured pearls in 1894.

Brewster Verdict Due

Washington, June 20 (AP) — A verdict appeared probable today in the contempt of Congress trial of Frank W. Brewster, chairman of the 11-state western conference of the Teamsters Union. Brewster is accused of unlawfully refusing to produce records and answer questions before the Senate Investigations Subcommittee last January. Federal District Judge John J. Sirica, who is hearing the case without a jury, said yesterday he will make his ruling on Brewster's guilt or innocence as soon as the trial ends. He said he exects the case to be completed today.

Ave, Wagner Rap GOP Work Bill at Liberal Dinner

New York, June 20 (AP)—Gov. Averell Harriman claims that "new vigor and new vision" have been brought to the New York state government during his 2½ years in office.

This has been done, he says, despite what he calls Republican tactics seeking to help big business at the expense of small operators and consumers.

Harriman made the claim last night in addressing the 13th annual dinner of the State Liberal party, at the Commodore Hotel. Seventeen hundred persons attended.

Two Find Fault

The governor and his fellow Democrat, Mayor Robert F. Wagner, assailed the Republican-controlled legislature on the issue of unemployment insurance benefit increases.

The governor and mayor contended that the Republican proposal for raising benefits is basically faulty on the ground that it would impose a disproportionately high share of the cost on seasonal industry.

Harriman and the legislature agree on the proposed increase of maximum benefits from $36 to $45 weekly. But the governor objects to the Republican formula for increasing the tax rate on employers in seasonal industries whose layoffs cause relatively high drains on the jobless insurance fund.

Claims Statutes Threat

Harriman told the dinner audience that the measure, passed by the Republicans at the recent special session of the Legislature after he had vetoed it earlier, would undermine statutes on the books since the days of the New Deal.

Harriman, who has said he again will veto the bill, declared that the Republicans "tried to cover up what they were doing by pretending that it is only the garment industry which would be adversely affected."

Names Other Industries

While the garment industry is the "largest single employer in the state," the governor said, other major industries were affected. He added:

"It's the construction industry, the canning industry, the resort hotels and all other seasonal industries that need protection against unfair taxation."

Workers in the garment industry make up a strong bloc in the Liberal party, which contributed to Harriman's election in 1954.

Wagner said that anything that "rocks the economic stability of the apparel industry" would have national repercussions.

Wagner, who is running for reelection this year, and Harriman, who has announced he will seek reelection next year, apparently will have Liberal party support.

Liberal State Chairman George S. Counts told the dinner audience that the reelection of both is "certain."

Modena Student Is Awarded $950 ForThumbInjury

A Modena student at Albany State Teachers College has been awarded $950 in settlement for injuries she suffered last Jan. 19 when struck by a car at an Albany intersection.

Supreme Court Justice Kenneth S. MacAffer authorized the settlement for injuries to Annette Palmer at the intersection of Madison and South Lake avenues.

The award was against William Dries and his wife, Anna Marie Dries, of 122 South Hawk street, Albany.

Papers on file stated that the girl was standing at the corner when struck by a car driven by Mrs. Dries. The car had mounted the curb after being involved in a collision with another vehicle. The girl suffered a broken right thumb.

Egypt Is Warned Against Aqaba Blockade by Subs

Jerusalem, June 20 (AP)—Israel warned Egypt last night against trying to blockade the Gulf of Aqaba with three submarines newly acquired from the Soviet Union.

A government broadcast beamed to Egypt said use of the subs to cut off ships from the southern Israeli port of Eilate, at the head of the gulf, would be "lighting the fires" leading to Egyptian suicide.

Confirms Purchase

Egypt confirmed Tuesday she had bought the submarines and they had joined her fleet in Egyptian waters. They are believed to be the first undersea craft acquired by any Middle Eastern country.

Israel feared they would be used to reimpose the blockade of Eilat, which Israeli troops ended last fall by destroying the Egyptian shore guns overlooking the Gulf of Aqaba. The gun positions are now occupied by troops of the UN Emergency Force.

Ships now operate through the gulf to and from Eilat without interference, despite protests from Egypt, Saudi Arabia and Jordan that the Gulf is Arab territorial water, Saudi Arabia protested to the UN yesterday for the fifth time in less than 10 weeks that Israeli ships and planes had violated what it claims is its territory in the gulf.

Promises Action

"This peaceful navigation will continue," last night's Israeli broadcast said.

Without giving details, the director general of the Israeli defense ministry said in a speech at Haifa that Israel is taking measures against possible submarine action. The official, Simon Peres, added that Israel will defend the open seas and will not "sit on folded hands" when its enemies are being equipped with arms to destroy Israel.

Others Show Concern

The government broadcast said any blockading submarines would meet the same fate as the Egyptian frigate that Israeli forces damaged and captured in the only naval action of the October-November invasion.

The British, the French and the U. S. 6th Fleet in the Mediterranenan also showed concern that the Russians had again tampered with the armament status in the Middle East by suppling the submarines to Egypt. British and French spokesmen said Israel probably will ask the western powers for antisubmarine equipment as a counterbalance.

U. S. Attache Ousted

Budapest, June 20 (AP)—Hungary's Communist regime today accused Col. Welwyn F. Dallam Jr., U. S. air attache here, of photographing military objectives. It ordered him to leave the country within a week. Col. Dallam's ouster came less than a month after the government of Priemier Janos Kadar ordered the U. S. legation to cut its Budapest staff. As a result, nearly half the legation's American employes will leave by July 6.

May End Case Today

Hartford, Conn., June 20 (AP)—State's Atty. Albert S. Bill says he expects to complete his case against Joseph L. Taborsky and Arthur Culombe by noon today. Bill described State Police Capt. Frank V. Chameroy, who took the stand late yesterday, as his final witness, "except for mopping up testimony." Through Chameroy, a ballistics expert, Bill placed as evidence two pistols and a slug removed from the brain of one of the men shot to death last Dec. 15 in a New Britain service station.

Electric Shock Fatal

Silver Bay, N. Y., June 20 (AP)—Peter M. Tilley, 21, of Storrs, Conn., died of electric shock yesterday when he slipped while climbing from water to a dock and grabbed an iron pipe containing power wires. The accident occurred at Silver Bay Beach on Lake George. Tilley, who was graduated this month from Amherst College, was a member of the staff of a church group here.

Correction Commissioner Probing Why 748 Attica Prisoners Went on Strike

Attica, N. Y., June 20 (AP)—State Correction Commissioner Thomas J. McHugh today continued an on-the-spot investigation of a brief mess hall "sit-down strike" by 748 inmates of Attica Prison yesterday.

There was no violence at the prison during the demonstration.

McHugh rushed here yesterday when the prisoners in one of the prisons' two mess halls refused to eat their noon meal and sat in their places for two-and-one-half-hours after the usual command to leave the mess hall was given.

The prisoners drank their coffee at the tables and talked nosily, but prison guards just waited until they were ready to leave.

The "strike" began at 12:30 p. m. All the prisoners involved were back in their cells by 2:57 p. m. They were returned to the mess hall for their evening meal at 5 p. m and ate without incident.

The prisoners in the second, cafeteria-style mess hall at the time were not involved.

There are 2,056 inmates at the huge maximum security prison. No one has ever escaped from behind its high walls.

McHugh reported shortly after his arrival last night that no damage had been caused at the prison and that no "weapons or gas" had to be used by the guards.

He said he would issue a statement on his investigation later today.

Dr. Walter C. Martin, warden of the prison, said yesterday the cause of the strike was not determined immediately, but that it apparently involved a protest over the prison fare.

Martin said the men apparently became dissatisfied at breakfast when the menu included boiled rice and milk and coffee. He said they apparently objected to the condition of the milk. The prisoners, however, went to their usual morning duties.

At lunchtime, the prisoners declined to take anything but coffee. The luncheon menu consisted of sliced ham and baloney, potato salad that included egg, onion, celery and mayonnaise, and bread.

Martin said that State Police Captain John P. Ronan of Troop A, Batavia, came to the prison during the disturbance, but that the prison guards required no assistance from outside.

McHugh said that state police were alerted to give him "maximum clearance" on the State Thruway from Spring Valley to Albany, where he boarded a conservation department plane for Attica.

Lanza Hearing

tion in Dannemora Prison at Clinton.

Georgiano, operator of a Manhattan restaurant frequented by politicians, was the first witness to be offered immunity from prosecution for any answer he might give.

He refused, invoking the Fifth Amendment — against self incrimination — 28 times. Attorneys for the four contended the committee lacked the power to grant complete immunity. In addition, they said, the power was not broad enough to protect witnesses from future prosecution.

They Won't Talk

In turn, Harry and Joseph Lanza also appeared in the witness chair and declined to supply any answers. Harry refused to answer 35 questions, Joseph declined 19. Mrs. Lanza, the last witness, also refused a number of questions put to her.

In most instances, the four witnesses declined to answer questions they had been asked at previous hearings.

The committee decided not to make public a secretly recorded conversation between Joseph Lanza and Sylvester Cosentino, an attorney, until the U. S. Supreme Court rules on the question next fall.

Late Starter

Reedsville, Wis., (AP) — Arthur Wagner took extra precautions to prevent irrational hunters from mistaking his brown riding horse for a deer. But he wasn't quite careful enough. Wagner kept the $275 horse in the barn during Wisconsin's nine-day deer season. Three minutes after the season closed, he let the horse into a pasture for exercise. A few minutes later, he heard a shot. He found the horse dead, shot through the chest with a shotgun slug.

Britain Explodes Third Bomb in Pacific Waters

London, June 20 (AP)—Britain exploded its third hydrogen bomb yesterday, "successfully" completing its current nuclear test series in the central Pacific.

Like in the two previous tests, it was dropped from a Valiant jet plane and exploded at high altitude in the Christmas Island area.

The supply ministry's announcement said radioactive fallout was negligible. Similar statements followed the two previous explosions.

Completes Series

The ministry gave no details on the third blast but said it "completes this series of tests." Atomic weapons research officials and task force personnel were sent telegrams congratulating them "on the successful conclusion of this operation," the announcement added.

Britain exploded her first hydrogen weapon May 15 to join the United States and the Soviet Union as the world's H-Bomb powers. The first explosion was said to have been equal to one million tons of TNT.

The second—and biggest—of the three blasts took place May 31.

The tests were carried out despite widespread opposition at home and abroad, especially from Japan.

Albany and Troy Merger Approved By Presbyterians

Clinton, N. Y., June 29 (AP)—The New York Presbyterian Synod today gave its endorsement to the proposed merger of the Albany and Troy Presbyteries into the Consolidated Albany-Troy Presbytery.

The action, taken at the Synod's 75th annual meeting here, is subject to approval by the National General Assembly which meets in Pittsburgh next May.

The Women's Synodical Society, which is meeting in conjunction with the Synod, today elected Mrs. Charles Loveland of Vestal, president for a one year term.

Mrs. Loveland succeeds Mrs. Everts Howell of Elmira, who had been president for four years.

Mrs. O. R. Seidenberg of Binghamton was elected secretary of the unit and Mrs. John S. Atwell of Syracuse was voted treasurer.

Rondout Valley

gram anticipates construction of three additional elementary class rooms so that this school may become a complete kindergarten to sixth grade school with one grade to each teacher. Existing cafeteria and playroom facilities are considered adequate in these areas. Estimated cost of construction at Accord school is $75,322.

Program of construction at the Kerhonkson school calls for addition of three elementary classrooms, cafeteria, kitchen, health center, for altering certain existing facilities and for general refurbishing of the former Union Free School building which has been in operation since 1926. This school will become a kindergarten through sixth grade school upon completion of the new junior-senior high school. Cost of construction, alterations and refurbishing at the Kerhonkson school is estimated to be $306,000.

The total proposed building program of the central district breaks down as follows:

Construction new junior-senior high school $1,855,500.

Addition to Marbletown school $128,510.

Addition Accord school $75,322.

Addition, alterations etc., Kerhonkson school $306,000.

The total construction cost is $2,365,332.

Other costs include the following:

Purchase of site, complete site development including athletic field, roads, parking area etc., furniture, equipment, repairs to existing school houses, insurance and all fees and other expenses $534,668.00, for a total of $2,900,000 the total amount of the bond issue.

The board of education emphasizes that all work proposed can be financed by the $2,900,000 bond issue. All construction will be of modern, serviceable materials and so designed that all instructional and service areas will have maximum utilization. Costs of construction projects has been completely investigated and the board believes all projects represent adequate facilities at a fair and reasonable cost.

All legal voters of the Central School district will have an opportunity to express their wishes at the referendum on June 26 from 2 to 9 p. m.

MV Bureau

istrations of another 2,738 were suspended for failing to meet requirements. Of those, 1,907 were later restored.

The bureau expects that more than 700,000 vehicles will have been inspected by the end of June.

The state's inspection law requires all vehicles more than four years old to pass safety checks at licensed inspection stations.

The bureau said that on an overall basis the program was "running smoothly . . . with a minimum of complaints and a generally high level of public cooperation."

During the Boston Tea Party raid, 342 chests of tea were destroyed.

Giannuzzi No-Hits Saugerties as Colonials Triumph, 10-1

Ex-KHS Southpaw Fans 14 in Stadium Contest

Renni Giannuzzi, the slick, young southpaw of the Kingston Colonials, picked a dramatic setting for his second no-hit performance of the season.

It was opening night in the New York-New Jersey League at Dietz Stadium last night and the opposition was an ancient foe—the Saugerties Dutchmen.

More than 250 persons attracted to the park by a sharply plummeting barometer saw the swarthy portsider stop the Dutchmen cold, while striking out 14 batters for an impressive 10 to 1 victory.

The game was completed under protest but the technicality took little of the lustre from Renni's tremendous stint. A collapsing defense permitted Saugerties to avert a shutout in the fifth inning when three straight miscues accounted for a single run. He walked seven and was in a couple of jams, but each time extricated himself with a flashing strikeout ball.

Get Fast Lead

Manager Fred Davi's tossers combined timely hitting with inept and loose play by the Dutchmen to rack up a 7-0 lead in the first inning to breeze to their first league victory.

Jim Meadlock was the Colonial victim and retired early in the second inning. Clark Mains mopped up, pitching six hit ball over the last seven innings and yielding two runs in the sixth.

Frank Secreto led the Colonials with three hits. Bill Haber, Eric Blackwell and Angie Fondino each hit twice. Blackwell and Fondino doubled during the Colonials' three-run fifth.

Giannuzzi, who pitched a no-hit, no-run game for Kingston High this spring, was at his blazing best in the last two innings. After walking Schaffer and Mackey to launch the eighth, he fanned Don Whitaker, Jim Erceg and Bud Miller in order. He opened the ninth by whiffing Pete Dyshuk and Mains to run his string to five straight Ks. Haber tossed out Don McCaig to nail down Renni's no-hitter.

The disputed play which led to the Saugerties protest occurred in the second inning. The Dutchmen claimed interference by the batter on a bunt play along the first base line.

Having achieved their first NY-NJ victory, the Colonials swing into high gear over the weekend. They play the Newburgh Dodger Jewels here Saturday night and travel to Nyack Sunday.

Crash Drivers At Rhinebeck

For the first time this season Rhinebeck Speedway will be able to guarantee race fans their share of wrecks. Saturday night immediately following the main event five cars and drivers will appear in the infield with but one object to wreck one another. The drivers will try everything in the book to demolish each other's car. The winner will be declared when there are no other cars running.

The regular seven-event stock car race will take place Saturday night with three heats, two semi-final events and a thirty lap race for the twenty four fastest cars starting on the slick asphalt surface.

Bill Boo, Pawling ace who was deprived of a start in the feature race last Saturday with a broken wheel hub will be on deck along with his toughest competition in the form of Nutmeg Staters Chick Stockwell, Lou Judson and Charley Hyatt. The capital district will be represented by Frank Covel, Carleton Hughes and Lee Palmer. Byron Fisher and Bill King among others will represent Dutchess county. Over thirty cars are expected to be on hand for the evening jousts.

Members are selected for the Hall of Fame of Great Americans every five years. Only persons dead 25 years or more are eligible.

Crane's K Spree

UL Brooks Take Lead

Larry Crane struck out 10 Giants in a row and the Ulster Hose No. 5 Dodgers broke up a tight pitcher's duel with seven runs in the first extra inning to whip the D-D Drive-In Giants, 9 to 2, in yesterday's Ulster Little League feature.

The victory gave the Dodgers undisputed possession of first place with five wins and one loss.

Crane and Ted Bream were locked in a sizzling 2-2 tie at the end of six innings when both had to quit because of LL rules. Crane had fanned 14 Giants, including 10 in a row in one streak for the all-time local Little League record.

Seven in Seventh

Bream's relievers collapsed and the Brooks sent seven runners across the plate. Meanwhile, Bob Baron blanked the Giants in their last turn at bat.

Dick Bradley checked Shannon's with six hits, one a homer by Walt Latowski. Bill Crosby paced the 20-hit Miron attack with three doubles and a single in four trips. Ernie Wilson, Mort Gazlay and Ed Van Loan had three hits each.

Subway Grill surprised P&G behind Al Hunt's 5-hitter. They collected 13 hits off Frank Coulard, including a home run by Bill Haber and scored 12 runs in the fifth. Haber smashed a double, triple and homer. Coulard rapped two triples in his own behalf.

Amato Stops Wimpy's

Veteran Joe Amato, oldest pitcher in the league limited Wimpy's to five hits as Prospect Dairy gleaned eight off Ruth. One of the Wimpy hits was a home run by Martin. Prospects nailed it down with three runs in the first.

Ben Freer of Chez Emile stopped Hilltop Rest on four hits, one a home run by Leroy Hooker. L. Crosby and Bailey shared four of the nine Chezzie hits off Joe Enright and Al Cross.

Clifford (Tip) Goes, chairman of the 1956 U. S Olympic Rowing Committee, will referee the Intercollegiate Rowing Regatta at Syracuse, N. Y., this Saturday.

Record Field To Play in Women's Open

New York, June 20 (AP)—Three major titleholders head a record field of 100 players entered in the women's National Open golf tournament to be held at the Winged Foot Club in Mamaroneck, N. Y., June 27-29.

The field, compared to the previous largest of 58 in 1954, includes defending champion Mrs. Kathy Cornelius of Dayton, Ohio, Mrs. J. Douglas Streit of Toronto, who as Marlene Stewart won the Women's National Amateur title last year and Louise Suggs, the Ladies' PGA champion.

The list also includes Wiffi Smith, 1956 British Amateur champion now competing as a pro; Betsy Rawls, 1953 titleholder; Fay Crocker, winner in 1955; Patty Berg and Betty Jameson. Miss Berg and Miss Jameson won the tournament before it was taken over by the U. S. Golf Assn.

Injury to Eye Halts Fondy

St. Louis, June 20 (AP)—Dee Fondy, the National League's No. 3 hitter, is lost to the Pittsburgh Pirates for an indefinite period.

The 32-year-old first baseman was hit in his left eye by a thrown ball in pre-game practice before a twi-night doubleheader with the St. Louis Cardinals. The ball broke his nose and caused a hemorrhage in the eye.

Dr. I. C. Middleman, Cardinal team physician, said it will be 48 hours before it can be determined if there is any permanent injury to the eye.

Brown Stops Zulueta in 15th Round

Denver, June 20 (AP) — Lightweight champion Joe Brown, winner by a 15th round technical knockout over Orlando Zulueta, shopped around today for pork chops and some overweight matches to cash in on his title.

Brown, living up to his nickname of Joltin' Joe, knocked the bobbing Cuban to the canvas in the 13th round for a nine count and finished him off with a flurry of rights a scant 21 seconds before the end of the nationally televised title fight.

Referee Ray Keech was roundly booed by the crowd of 3,686 in the Denver Coliseum for stopping the bout. Zulueta got up at the count of eight after his second knockdown.

"I asked Zulueta if he was all right when he got up," Keech said. "He only mumbled. His eyes were glassy and I thought there was no use in taking a chance that he might be seriously injured."

"I felt fine," said the downcast 28-year-old challenger in his dressing room. "My head was clear. I wasn't a bit dizzy."

The three officials had Brown ahead on points when the fight was stopped. Keech scored it 68-61, Judge Don Perko 67-60 and Judge Joe Ullmer 66-65.

Brown said he caught Zulueta with a left uppercut in the 13th and nailed him with a combination of right hands to the head and body in the 15th.

SOFTBALL CHAMPIONS for the second year in the Elementary school league is the School No. 4 squad. They defeated George Washington School in the finals Monday and are unbeaten in two years. School No. 4 also won the basketball championship for the 1956-57 season. Team personnel: front row, from the left: Alvin Edwards, Louis Perry, Charles Staccio, James Costello, Lester Hatcher. Back row: Michael Constable, LeRoy Middagh, co-captain; Robert Hatcher, Charles Cecelia, Horace Walker, Donald Scism. Thomas Fiore, co-captain, was absent when photo was taken. (Freeman photo).

Beagle Is Top Dog

Registrations processed by the American Kennel Club show that beagles headed the list as America's favorite breed during 1956 dog shows. The hounds surpassed all other breeds in numbers at trials. A total of [illegible] beagles were shown last year. The boxers were in second place with 39,502 on display. The remainder of the first ten in order were chihuahuas, dachshunds, cocker spaniels, German shepherds, poodles, collies, Boston terriers and Pekingese.

Take Over First

JC Eagles Top Wrens

The Eagles got off to a fast start and edged the Wrens, 10-8, to take over first place in the Junior Chamber of Commerce Little League.

Gary Terwilliger was nicked for nine hits by the Wrens but kept them under control. The Eagles converted five hits into ten runs, scoring seven in the first two innings, off Paul Werbaloski.

Mayer Bows Out At Flint Open

Flint, Mich., June 20 (AP)—A field of more than 150—not including national open champion Dick Mayer who bowed out because of a stomach disorder—today began a 72-hole race for one of the most lucrative paychecks in professional golf.

The Flint open, with a $37,000 prize list, offers a top prize of $5,700 with an added $5,000 ready for any former champion who can come home a winner for the second time.

Syracuse crew coach Loren Schoel won't be quite as disappointed as 10 other IRA Regatta coaches if Cornell wins the varsity race on June 22. Schoel coached the present Cornell varsity to an IRA frosh win in 1954.

If Cornell's varsity oarsmen win the Intercollegiate Regatta varsity race at Syracuse, N. Y., on June 22, they will complete a Regatta grand-slam. The some Cornellians won the frosh race in 1954 and the varsity race both in 1955 and last year.

Man Is Slightly Injured as Auto Hood Flies Up

James Jackson, 22, of Stewart Air Force Base, Newburgh, had a narrow escape Wednesday afternoon when the hood of a convertible flew open on Route 207, causing the vehicle to plunge through a guard rail and into 20 feet of water in Washington Reservoir, New Windsor.

Jackson was taken to the base hospital suffering from shock and a laceration of the hand.

Another Faces Charge

The accident also resulted in the arrest of the owner of the car, James Joseph Fitzpatrick, 30, also of Stewart Air Force Base, on a charge of illegal possession of a firearm.

Newburgh state police found the weapon a 635 millimeter German semi-automatic pistol, in the vehicle.

Fitzpatrick was arraigned before Justice of the Peace C. P. Miller of the town of Newburgh, waived examination and was held for the grand jury.

Troopers C. S. Dorian and R. S. McDonald, who investigated, reported that Jackson was traveling south on Route 207 near the Temple Hill road in a 1955 convertible when the hood flew open, causing the vehicle to go out of control.

It went off the west side of the highway knocked down two concrete posts and 50 feet of anchor fence and plunged into the reservoir.

Red Ships Move To Mediterranean

Istanbul, June 20 (AP) — Three Russian warships steamed through the Bosporus today en route to the Mediterranean.

Turkish jet planes buzzed overhead as the Soviet cruiser Mikhail Kutusov and two escort destroyers moved through the narrow body of water from the Black Sea. Presumably the Turks reported the movement to the U. S. 6th Fleet, which has tightened security around its own operations in the Mediterranean because of the flotilla's approach.

Three Russian torpedo boats are scheduled to go through the Bosporus tomorrow. The Soviet government told the Turkish foreign ministry the flotilla is en route to join naval maneuvers in the Baltic.

Automobile travel from the United States to Mexico increased 20 per cent in the last year.

RECEIVE THERAPY AT CP CENTER— These youngsters are shown in the therapy department at cerebral palsy center, 400 Broadway, where they receive regular treatments. (l-r) Tommy Stewart, 5, of Brabrant road; Donald Emmet, 7, of Highland, and Cathy Naccarato, 3, of 83 Harwich street. It was announced today that a total of $20,449 has been raised, to date, in the 1957 finance campaign of United Cerebral Palsy of Ulster County, Inc. Of the total, $4,309 was collected in the house-to-house canvass in this city in May. The goal for the county is $32,000. (Wagenfohr photo).

Two Dead, Five Hurt in Blast On FDR Carrier

Jacksonville, Fla., June 20 (AP) —The aircraft carrier Franklin D. Roosevelt limped into port early today, the victim of its second accident at sea in two months.

On board were two dead and five seriously injured crewmen. They were sprayed by live steam which spewed out when a pump exploded deep inside the 45,000-ton warship yesterday.

Heat Fells 29

Twenty-nine other crewmen were stricken with heat prostration or exhaustion, many of them in efforts to rescue trapped comrades.

Capt. T. W. Hopkins credited heroism and the fine training of U. S. Navy men with holding down the number of casualties. He said "I can't pinpoint one single man" for heroism; "all are equally deserving of praise."

Fifty to 60 men entered the fierce steam for rescue work or to help confine damage.

A board of investigation met to determine the extent of damage. The explosion blew pieces of the pump through two bulkheads as well as the steam lines. Hopkins said, however, he did not think the ship would need drydocking for repairs.

The vessel is scheduled to join the 6th fleet in the Mediterranean in July.

The Roosevelt reduced speed "to secure the boilers" immediately after the explosion and six or seven planes in the air were diverted to land fields at Jacksonville.

Second Victim Dies

Cleveland, June 30 (AP) — Hyman Greenfarb, 55, of Forest Hills, N. Y., died today in Marymount Hospital of injuries from an Ohio Turnpike accident Sunday. Greenfarb's wife, Selma, 55, was killed instantly in the crash near the U. S. 21 interchange. The two were on their way to Chicago on vacation when their car collided with the rear of a tractor-trailer. Greenfarb suffered a severe brain concussion and remained semi-conscious until his death.

High Court Asked To Revoke Move On Girard Case

Washington, June 20 (AP)—The Justice Department today appealed to the Supreme Court from a decision barring the government from surrendering GI William S. Girard to the Japanese for trial.

A petition to the nation's higest court said the decision by U. S. District Judge Joseph C. McGarrahy was "clearly wrong."

The petition said the "public interest in an early disposition of the case" is so great that the high tribunal should act at the earliest convenient date.

The petition was signed by Atty. Gen. Herbert Brownell and Solicitor J. Lee Rankin.

The decision to go directly to the Supreme Court came after lengthy conferences between Justice and Defense Department officials over the government's next step in the case of the soldier accused of killing a Japanese woman.

Young Couple Held

Williamsport, Pa., June 20 (AP)—State police said today the pretty blonde teenage daughter of a Swedish air attache and a U. S. Senate page boy who disappeared from Washington June 2, were taken in custody today for speeding. Christina Wennerstrom, 16, and the 18-year-old page boy, Huw Williams, were the objects of a widespread search.

Toll Reaches 13 In Sea Collision

Brest, France, June 20 (AP)—The death toll in the flaming collision of an American-owned tanker and a Greek freighter off Brittany mounted to 13 today. Another sailor was listed as missing.

Two sailors died in a hospital here of injuries suffered in the collision yesterday during a blinding fog of the 15,000-ton tanker Stony Point and the Greek freighter Ioannis. The French Maritime Service had previously identified the Ioannis as a tanker.

Has Slight List

The Dutch tug Thames had the Stony Brook under tow this morning en route to the British port of Falmouth. Capt. Martinus Engels of the Thames said two tanks in the aft end of the tanker were still ablaze and burning oil was leaking from the hull. He said the tanker had a slight list.

The Ioannis was anchored seven miles off Brest with some of its crew aboard fighting a smouldering fire.

More than 50 crewmen were rescued despite the fog which hampered operations. The tanker and the vessel collided near the Isle of Ushant.

Five Die in Fire

Plattsburgh, N. Y., June 20 (AP)—A family of five perished in fire early today in the town of West Chazy. The victims were: Edwin J. Fountain, 32; his wife, Marie, 27, and their children, Beverly, 8, Richard, 6, and James, 5. State police said the fire was believed to have started in the Fountains' home sometime after midnight. The cause of the first was not immediately determined, state police said. Police said the bodies of the victims were so charred, immediate identification was delayed.

Lightning Kills Two, Injures 48 At Fort Bragg

Ft. Bragg, N. C., June 20 (AP)—"The ground was sizzling—just burning up."

Thus one soldier described the encampment of a national guard division on this army paratrooper base last night after two bolts of lightning, less than 10 minutes apart, killed two guardsmen and injured 48.

Fierce Storm

The base hospital called in off-duty personnel to handle the patients who poured in for treatment for five or six hours after the fierce electrical storm. Field stations gave first aid treatment on the spot.

The army identified the victims as Sgt. 1/C Walter Lee Milam, 26, and Pfc. Arthur Belton Norris Jr., 18, both of Kannapolis, N. C.

Guard Area Hit

Units of the 30th (Old Hickory) Division of the North Carolina Nation Guard bore the brunt of the storm's attack. The 8,000 Tar Heel guardsmen were encamped for summer training in a wooded area 10 miles west of the main portion of the base.

Striking at suppertime, the lightning skipped around the bivouac area as many of the soldiers stood in chow line, mess kits in hand.

"The men in front of me were knocked down like bowling pins," one soldier said. "My metal mess gear was wrenched from my hand and bent all out of shape."

Synagogue News

Temple Emanuel

Services will be held at Temple Emanuel Friday, June 21, at 7:45 p. m. Rabbi Bloom will preach on the theme, "What's in a Name?" The services will be followed by a birthday Sabbath Oneg Shebat. The music is under the direction of Cantor Julian. The public is cordially invited to attend. The naming of the daughters of Mr. and Mrs. John A. Becker and Mr. and Mrs. Robert Nadler will take place at the services.

Feminine Invader

Alliance, Ohio (AP)—The Mount Union College boys' choir had a girl in its ranks for awhile. She's Natasha Andreevsky of Miami, Fla., a music major at the college here. Of Russian background, she helped the choir arrange a Russian folk song.
